NYU Libraries may have (or can get you) just what you need!

Have research questions? Need term paper help? Want an instruction session for your course? Recommend a book? ***Just contact me!***

TIDBITS OF SOUTH ASIA RESOURCES FOR YOU

ONLINE RESEARCH RESOURCES

- ***South Asia Commons***: Major full-text collection of 4.5 million pages of documents from across the Subcontinent from 1700 to 1953, as well as books and journals covering India, Pakistan, Bangladesh, Afghanistan, and Burma.
- ***Indian Political Intelligence Files, 1912-1950***: full-text primary source archival collection of secret British colonial intelligence records from the India Office in London, including surveillance reports, communications intercepts, and position papers from MI5, MI6, and Scotland Yard's Special Branch.
- ***Nazir Ali Jairazbhoy Collection*:** ethnographic field recordings and research notes from one of the most comprehensive surveys of South Asian music taken in the second half of the 20th century, documenting the vast diversity of musical styles and genres across India and Pakistan.
- ***South Asia Open Archives (SAOA)***: over 1 million pages of historical and contemporary sources from and about the region in arts, humanities, social sciences, history of science, and other fields in English and other South Asian languages.

- **More databases: see South Asia Research Guide here**
