Your Excellency,

Having noted the very bad condition of the roofs of the two chapels of 'St. Michael' and 'The Four Bodiless Living Creatures', we have decided that the governmental Department of Public Works should make the necessary repairs.

According to the 'Status Quo' the Greek-Orthodox Patriarchate will see to it, that the slabs of that area of the terrace which is above the two chapels, are removed. When the Department of Public Works will complete the necessary repairs, the Greek-Orthodox Patriarchate - according to the 'Status Quo', will see to the replacement of the slabs and to the proper printing.

Your Excellency,

In reply to your telegram and your letter of October 5,1972, addressed to H. Exc. the Minister of Religious Affairs (copy to myself), I have the honour to inform you, that the repairs to be carried out concern the roof only and not the interior of the two Chapels of St. Michael and the Four Bodiless Living Creatures.

The roof is under the control of the Greek-Orthodox Patriarchate (the Gust) and the said Patriarchate - according to the Status Quo - will take away and replace the slabs of the roof.

It is common knowledge that the necessary repairs to Holy Places, coming wakk under the 'Status Quo', are carried out by the Department of Public Works, I therefore see no reason for Your Excellency's protests.

Her Excellency ,

The Prime Minister, Mrs. Golda Meir, Jerusalem.

Your Excellency ,

In reference to Your Excellency's letter dated 27th of July 1972, written in answer to our letter addressed to Your Excellency on 17, July 1972 concerning our forcely usurped Holy Places in our Coptic Monastry Deir El-Sultan, Jerusalem.

May we submit to Your Excellency the following :-

1- The Ministerial Committe formed on 28/3/1971, of the Minister of Justice Chairman, the Minister of Foreign Affairs, Police and Religious Affairs, had held two meetings only. The first on 31/3/1971 and the second on 8/6/1971. The Minister of Justice had declared at the end of both meetings that the committee will very soon submit its recommendations, but the committee had remained for long months before the Chairman, the Minister of Justice resigned from his post without fulfilling its promise.

2- We believe that the matter does not need all this long time. The matter is quite clear as there are Churches that had been forcely usurped last Easter Eve on 25/4/1970. What is required is the restitution of these usurped Holy Places to their rightful owners, in order to achieve Justice and to keep the Status Quo which these Holy Places are subject to. And to keep the promises made by the Israeli Government on its entering the Old City of Jerusalem that it will keep and protect the Status Quo in the Holy Places. It is clear that the Israeli Government had seen that these forcely usurped Holy Places and Churches have been in our hands for long years till the Eve of 25/4/1970, when these were forcely usurped as we have mentioned.

3- In addition to this the High Court of Justice had investigated in the matter and issued its decision on 16/3/1971 condemning this aggression and atated that it is against public order and security, and has clearly explained without any room for suspect that these Holy Places are our Holy Places and have been in our hands alone till they were forcely usurped on 25/4/1970. What more does the committee want?

4- The Ministerial Committee as well as the President and members of the High Court of Justice have visited our usurped Holy Places and Churches and have seen the Coptic inscriptions and decorations on the Holy Iconostasises of these Churches which proved to them that these churches have been in our hands for hundreds of years as the dates inscribed on the Iconostasises of these churches point to.

5- Inspite of all this, His Excellency the Minister of Justice Mr. Y.S.

Shapiro has returned to his office since a long period yet the Ministerial

Committee has done nothing to restore to us our forcely usurped Holy Places.

6- Hereby, we would like to make clear that as the Government has not done its duty to restore our usurped Holy Places although this long period has passed since our Holy Places have been usurped on 25/4/1970, and since the Ministerial Committee mentioned in your last letter was formed on 28/3/1971 and until now is clearly slighting and insulting in regard to the maintenance and protection of the Status Quo in the Holy Places which the Government since the very first moment has promised to protect and safeguard, as we have mentioned above. As well it stirs a lot of suspect concerning the intention of the Government in regard to the Christian Holy Places on the whole and particularly in regard to our Holy Places. A matter we do not accept neither does the Government.

7- We have explained in our previous letters that as a result of the usurpation of our Holy Places, our religious services and prayers have been

TEL. 2343, 4405 - P. O. B. 4006. CABLE: PACOPT, JERUSALEN ۱۹ م لقدس في \

- 3 -

delayed in these churches until now, yet the Government has done nothing.

Hereby, we insist that our Holy Places and forcely usurped churches be restored to us urgently, in execution of the decision of the High Court of Justice, Jerusalem No 109/70, dated 16/3/1971, in order to protect and safeguard the Status Quo and to achieve Justice which we believe that it is most necessary that the Government should protect and keep.

Awaiting Your Excellency's reply .

With our respects .

Yours Faithfully

Your Excellency ,

In reference to our several letters and eables addressed to you asking for the restitution of our forcely usurped Hely Places in our Coptic Menestry Deir-El-Sultan, Jerusalem, we inform you that until new you have not restored to us these Hely Places.

You are well aware that what happened on Easter Eve 25/4/1970, the aggression and the usurpation of our Hely Places by force is against the Status Que. It was condemned by the High Court of Justice in its decision No. 109/70, dated 16/3/1971, in which it stated that this aggression is against Security and Public Order. We were expecting you, after that, to act quickly and restore these forcely usurped Hely Places to us, especially that you have premised at the meeting you held on 8/6/1971, that you would forward your recommendation concerning this matter as seen as possible, but we regret to say that until now, although a whole year has passed since this decision of the High Court of Justice was issued nothing has happened.

Your delay in restituting our usurped Holy Places to us is a matter that contradicts with the simplest principles of Justice and Religious Liberty and is against the above said decision of the High Court of Justice and against the Status Quo in the Holy Places. It causes the hinderance of our Religious services and prayers, a matter which opposes what the Government always declares that it guarantees the Liberty of worship and the safety of the Holy Places.

Your Excellency ,

In reference to Dr. Colbi's letter No. 29/1/13b, dated 22/11/1971, which we have just now received, and in which heamentions that the Government has decided to undertake repairs in the Church of the Four Bodiless Living Creatures in the Coptic Monastry Deir-El-Sultan, although they are well aware that this is against the Status Quo. We inform you that we do not accept this decision and we cannot agree to any repairs to be undertaken in the said church by the Government.

The said Church is one of our Coptic Churches in Deir-El-Sultan which was usurped by force as you well know. The High Court of Justice in the case No. 109/70, dated 16/3/1971 has decided to restore it to us. But, instead of restoring it to us the Government had decided to form a Ministerial Committee to study the matter. And until now the Ministerial Committee has not issued any decision.

As well , the said church is a part of the Coptic Holy Places in Jerusalem and any repairs in it done by the Government will be considered a violent aggression and tresspass on our Holy Places.

There are very ancient Holy Coptic Antiquities in the said Church, on the walls and the ceiling are Coptic inscriptions and decorations which clearly speak for themselves that this Church is a Coptic Church. And we know that the repairs you pretend, means the covering and washing away of these Holy ancient antiquities and signs. A matter which will never never be accepted.

No other preceeding Government has ever undertaken any repairs whatever in the said Church, Your going out of this situation is considered a violent aggression on the Holy Places and the Status Quo.

We are greatly astonished that the Government thinks to undertake

Jerusalem, October 20, 1971,

His Excellency Dr. Anha Basilios, Coptic Archbishop of Jerusalem, Coptic Orthodox Patriarchate Jerusalem 9

Your Excellency,

This letter is in reply to the telegrams which you sent on October 11, 1971 to the Prime Minister, to the Minister of Religious Affairs, to the Minister of Police and to myself.

When your telegram reached me on October 12, I immediately requested Mr. R. Levi, the Deputy District Commissioner for Jerusalem, to visit the place and report his findings to me. Mr. Levi has reported as follows:

"On my visiting the place, I found that the courtyard of Deir El Sultan was clear of all structures and objects which had not been there previously; and it had its traditional appearance."

I have been informed by the police that on October 11, the Eighth Day of Solemn Assembly, during the merning, there appeared at the Old City Police Station Father Suleiman el-Antoni of the Coptic Church, stating that a group of people were erecting a tent in the courtyard of Deir el-Sultan, where the Ethiopian Church is situated, and were arranging photographic equipment on the site. According to him, this was done with the consent of the Ethiopians, without the agreement of the Coptic Church, and they considered the act a breach of the "status quo". Ray-Pakad Chen went out to the place and met Mr. Robert Gant, who explained that he was producing a film on Jerusalem and that he intended to shoot part of it at Beir el-Sultan. Rav-Pakad Chen then met you, and you reiterated your objection to any filming at Deir el-Sultan and your view of it as a breach of the status quo, since the permission was unilateral. The producers were informed accordingly, they gave up the idea of filming at the location, and the incident was thus closed.

I hope the foregoing information furnished to me disposes of the source of your complaint, and would appreciate it if you would write me to confirm as much.

Yours faithfully,

Jacob S. Shapiro

הבדון: הסכסוך בין העדה הקופטית לעדה האסיופית, במנזר פר הסולטן בירוטלים.

הנני פונה אל כב' בדחיפות בקשר לענין זה וזאת לאור הראיון שהענקת לבישום הקופסי מיד לאחר מלחמת ששת הימים.

בודאי זכור לך שמיד לאחר טלחמת ששת הימים הענקת ראיון לראש העדה הקופטית הבישום בסיליום בו גם הייתי אנכי נוכח.

הבישות הקופטי ביקש מתך בנוהו ראיון כי מכשלת ישראל לא תעשה צעדים לשנוי הסטאטוס קוו בתקומו הקדוטים לעדה הקופטית ולנוצרים בכלל.

באותו ראיון הפגת את חססותיו של שולהי אשר סצידו הצהיר כי הוא יהא נאמן לסדינת ישראל ולחוקיו ועצם היותו והיות בני עדתו מפוצא קופטי לא יפגע כמלוא ניפה בחובה שהוא ראוה לעצפו להיות נאסך למדינה ולחוקיה.

ואמנם כשבא מר טלמן מטעם האומות המאוחדות לחקור את המצב בירושלים היה שולחי המוטרן הקופטי מן המעטים של ראשי העדות הנוצריות אשר הצהיר בפניו בפה מלא כי הוא שבע רצון מהתנהגותם של שלסונות ישראל בירושלים.

על אף עובדות אלה ארע בשנה שעברה פעשה שהאטיופים פרצו בכח לכנסיות של העדה הקופטית והחליפו את המנעולים של הכנסיות, שינו את הסטאטוס קוו, מבלי שהממשלה והטשטרה יתערבו לטובת שולחי.

שולתי שנה אל בית הדין הגבוה לצדק ובתיק מס' 109/70 ביקר בית הסשפט העליון את התנהגות הכספר וציווה להחזיר את המצב לקדמותו ואת מפתחות הכנסיות לידי שולחי.

בית המשפט העליון קבע גם כי הצו שהוא הוציא איננו מונע מהמפשלה לתת מצידה צווים ולדון בסכסו - כבין האסיופים לקופטים לעצומו של ענין.

כמובן שאין זה מתפקידו וגם אין זה בסמכותו של שולחי לתת לממטלת יטראל עצות מדיניות, אבל דבר אחד מבקס שולחי והוא טממשלת יטראל תטמור על הסטאטוס קוו ביחס למקומות הקדוטים לנוצרים כפי שהיה הדבר וכפי שממשלת ישראל מצאה לאחר שחרור ירושלים במלחמת ששת הימים ולא תתערב בעניני המקומות הקדושים באופן שישונה סטאסוס קוו זה הקיים כבר דורות.

שולהי הצהיר בפני כב' בזמנו כי הוא מוכן ומזומן להיות נאמן למדינה ולחוקיה והוא ביצע את הצהרתו זו הלכה למעשה וכב' גם לא יכצא קופטים על אף היותם ממוצא מצרי מעורבים במעשים כנגד בטחון המדינה או חוקיה מאז מלחמת ששה היכים ועד היום.

הפוכו של דבר; שולחי עשה כסיטב יכולתו כטנשאל ע"י מר שלמן ביחם למצב בירושלים.

לאור כל זאת אינני חושב שמן הראוי שממשלת ישראל תתערב בשינוי הסטאטוס קוו והייתי מבקש מכב בשם שולחי לפעול מצידו על מנח שלא ישונה המצב במקומות הקדושים ויוחזרו המפתחות מידי מי שנלקחו ממנו שלא כדין, הכל בהתאם לצו של בית המטפט העליון.

באם רוצה כב" הבהרה כלשהי בע"ם מוכן שולחי להפגש עם כב" בכל עת ובכל סקום שיקבע.

Your Excellency ,

May we submit the following to Your Excellency's kind consideration .

As your Excellency are well aware of the aggressions that took place on our Holy Churches in the Coptic Monastry of Deir-El-Sultan on Easter Eve 25th of April 1970. We have written to the Government several times (copies of which were sent to Your Excellency) asking them to intervene and stop these aggressions and keep the Status Quo in the said monastry, but in vain.

New aggressions against the Status Quo have taken place in the said monastry .

Herein we enclose a copy of our letter to the Minister for Religious Affairs. Asking your kind intervention immediately , to restore the Status Quo in the said monastry and to protect our Holy Places therein, so that we might rest assured that our Holy Places are entrusted into safe hands.

His Excellency . The Minister for Religious Affairs , ... 31/7/1970 , Jerusalem .

Your Excellency ,

We have noticed lately , that there are Abyssinian laymen staying and abiding in Deir-El-Sultan Coptic Monastry and acting as guards . As they are not monks , they have no right to stay there . This is against the Status Quo which states that those whom we keep as mere guests are only Abyssinian monks and not laymen .

Herein, we attach the statement No. HAM/8/49/(3)/507, dated 20 July 1952, which assures that such guards are not allowed to stay in our said monastry as it is against the Status Quo .

Therefore , we ask you to undertake the necessary procedura to turn these laymen out of the said monastry , in order to keep the Status Quo in the Holy Places.

"ereby, we write with great regret that you do not care to keep the Status Quo in the Holy Places. Many a time did we write to you concerning the aggressions that took place against the Status Quo in the said monastry . We asked you to stop immediately these aggressions, but in vain, although, everytime we have sent photocopies of the decisions of the previous governments in this concern which prevents such aggressions against the Status Quo. We can find no explanation to such treatment.

May I kindly submit the fellowing to Your Excellency's kind consideration .

As Your Excellency are well aware , and we have previously informed you by our letter dated 29/4/1970, of the unjust aggression on our Hely Menastry Deir-El- Sultan .

We have also refered to our cables and letters to their Excellencies the Ministers for Religious Affairs and of Police. As well we have attached copies of our correspondence with the said Ministers, and photographs of our Holy Churches and their Holy contents, mentioning to Your Excellency that we hold them completely responsible for any loss, damage or changes that might happen to our usurped Holy Churches and Holy objects therein.

On the 4th of May we received a letter from Dr. Colbi , herein we attach a photocopy of his letter, as well a copy of our reply .

When we have written to Your Excellency on the 29/4/1970, we had great hope to see our usurped Hely Places restored to us immediately by your kind intervention, having full confidence that Your Excellency would want and greatly care for the protection of the Hely Places and the keeping of the Status Quo.

We still hope that immediate affirmative action would be taken in order to keep the Status Quo, and to restore our Hely Places, so that all might feel and perceive peace and justice in the Hely Places.

The Minister of Police ,
Jerusalem .

Your Excellency ,

In reference to Dr. Colbi's letter, No. 29/1/13/b , dated 4th of May 1970 , we reply as follows :-

1- We strongly insist that police forces were involved in the changing of the locks of Deir El Sultan Convent. We have hundreds of witnesses who came with us when we left the Church of the Holy Sepulchre , Easter Eve , on hearing of the changing of the locks. They all saw the armed forces barring the way to Deir-El-Sultan and preventing us to enter. We had to go to our Patriarchate through the streets followed by the armed forces aiming their guns at us , till we entered our Patriarchate , besides the Copts, there were many , many others from other communities .

2- The law of the Holy Places is very well known to you as well to the Israeli Government and especially to the Minister of Police .

The Israeli law of the Hely Places 1967 imposes very severe punishment on persons infringing the rights or harming people in connection with their Hely Places .

This law says expressly that the Minister for Religious Affairs is responsible for the execution of this law. I am sure as well that the Police forces are responsible and should care for the prevention of the crimes.

Now would you kindly inform me how can you say that changing of locks and throwing out a community out of its Hely Places is an internal matter between churches. If two people are killing each other would the police say that this is an internal matter between themselves ? If your claim is based on truth why didn't the hundreds of policemen on the roof of Deir-El-Sultan, who saw everything including the changing of the locks didn't step the aggression and prevent the crime ? Why did the armed police forces prohibit the members of the Coptic Community to enter into their Holy Places and put back the locks ?

3- After the six day wars, Mr. Thalman from the United Nations came to me in our Patriarchate in order to inquire if our Patriarchate was satisfied with the Israeli way of keeping and guarding our Holy Places. With Mr. Thalman came a migh Official of the Israeli Government. He said in the presence of Mr. Thalman that the Israeli Government shall do its best to keep the Status Que and to guard the Hely Places. When I was asked by Mr. Thalman about the situation I said that I had no compleint and that my only wish was to keep and guard the Status Que in the Hely Places. I said it because I believed to the premise of the Israeli Official. Now our Hely Places are taken from us by force and you refused to interfere and to help us to keep the Status Que by saying that it is an internal matter and that it is a matter of subjudice, where are then the fulfilments of the premises and the obligation to keep the law and the Status Que?

4- You say that the Government bears no responsibility for the safe guarding of the objects in our two Holy Chapels, whose responsibility is it if not the responsibility of the Government who refuses to fulfil its promises and to guard and keep the laws of the land. We insist on holding you completely responsible for any changes, damage or loss that might befell any of our Holy objects within our two Coptic Churches, The Four Bodiless Living Creatures Church, and St. Nichels, whose details and photographs have been sent to you within our letter dated 29/4/1970.

We are still hoping that the care to protect the Hely Places and the keeping of the Status Que which is your first most important duty to keep and protect, will move the Ministry for Religious Affairs and the Ministry of Police to take immediate steps in order to restore peace and justice to the Hely Places by keeping the Status Quo.

Your Excellency,

- 1. Your claim that Government officials were in any way involved in the changing of the locks at Deir El-Sultan, is hereby strongly rejected.

- 3. As the Coptic Church has applied to the Supreme Court in the above-mentioned matter, the Government is unable to deal with the affair until the termination of the legal proceedings.
- 4. Your assertion is hereby rejected that the Government bears responsability for the safeguarding of the objects located in the two Chapels under dispute. Nevertheless, the police will readily comply with any request regarding the maintenance of order at the site.

Very Urgent

29/4/1970 ,

His Excellency ,

The Minister for Religious Affairs , Jerusalem ,

The Minister of Police , Jerusalem ,

Your Excellency ,

May we submit the following to your kind consideration .

1- We have sent you a cable dated 26/4/1970, concerning the aggression on our Monastry Deir-Bl-Sultan, we asked you to intervene immediately to stop this aggression, to keep the Status Quo and to restore the keys of the passage and our two Coptic Churches. But until now, we did not receive any answer, although the matter is very serious and urgent, and does not bear any delay. This place is as sacred to us as the Wailing Wall to you. What would the Jews have done if the Wailing Wall had been usurped. Would they keep silent?

Once more, we again ask you to intervene and step this excessive aggression on our Holy Places and restore immediately and without delay, the keys of the passage and the two Coptic Churches.

2- To day we have noticed a small tent in the eastern corner of the courtyard in Deir El Sultan behind the Doom. As this is against the Status Quo, we ask you to remove it immediately.

3- A number of policemen are still in the monestry, although the feasts and celebrations have ended, and it has never been the custom for a police to stay in the monastry, how can you explain their existance in such a perpetual way.

We ask you to withdraw at once all the policemen from the monastry .

4- Hereby , we inform you officially that there are in our two Coptic Churches that of the Four Living Bodiless Creatures , St. Michels and St. Mary's closet, Holy iconostasises made of wood in laid with ivory

Hely Baptismal vessels, two Hely Bookstands, Hely Law beards, Hely Curtains, Church Vessels and Hely Coptic Icons. All this is clearly shown in the attached photocopies from No. 1- to 15

All these Holy objects form a very important part of the Coptic Orthodox Holy Inheritance in the Holy Land, and are of great value. You have siezed all these Holy objects by force, and as you did not care to restore the keys of these Churches until now, although we have cabled you asking for your intervention. Your Excellency ,

May we submit the following to Your Excellency's kind

Certainly, Your Excellency have heard of the unjust aggression on our Holy Places, that took place at midnight on Easter Eve, the 25th of April 1970, when the police changed the locks of the gates of our Holy Churches and passage in our Coptic Monastry of Deir-El-Sultan. An action the like of which has never, never been done before in the Holy Places.

On the 26th April 1970, we cabled the Minister for Religious Affairs and of Police, and asked them to intervene and stop this aggression immediately, until now we received no answer. This greatly astonished us, and made us uncomfortable about the safety of our Holy Places.

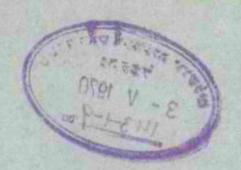

Hereby p we enclose copies of the cable mentioned above and a copy of the letter we have sent to day to the Minister for Religious affairs and the Minister of Polices enclosing 15 photocopies of our Hely objects in our Churches holding them responsible in the case of any changes or damage or loss that might befell any of these Hely objects. Repeating our demand for their intervention to remove this aggression and to restore everything according to the Status Quo.

The matter is seriously urgent, we ask your immediate intervention to save from aggression the Holy Places of the Coptic Community. So that everyone might rest assured that their Holy Places will always be pretected from any harm and are entrusted into safe hands.
