מסיחה עם דיוויד מק Mack - NEA ב-15.1.

לבנון

1. מק התייחס די בחיוב להודעה ממשלת ישראל על שלבי הנסיגה ומכל מקום לא גילה כל הסתייגות מכך. העיר - שעדיף היה כמובן לעשות זאת במסגרת הסכם עם לבנון.

2. יוניפי"ל. מק העלה מספר אספקטים הקשורים ליוניפי"ל: עדיין ניתן, אם כי בפחות וודאות, להגיע להסכם בנושא מאחר והלבנונים מעוניינים בהרחבת המנדט ובכניסה הכח לשטחים שישראל תפנה. הסכים עמי שהורדת צה"ל גם אם תעשה לא תהיה אפקטיבית בלשון המעטה. קשה להעריך מתי צה"ל יוכל לחפקד בצורה כלשהי. מק גם לא בטוח מה תהיה עמדת ישראל ובעיקר עמדת המדינות התורמות לכח לקראת חידוש המנדט ב-19.4.85. אין לשכוח הגורמים הנוספים הקשורים - טוריה ובריה"מ. קשה לשער מה תהיה עמדתם.

3. מק העלה אפשרות לשני תסריטים:

- א. לבנון פונה ב"שקט" למזכ"ל (דרך ארקהרט) בבקשה להורות ליוניפי"ל לפטרל בנקודות רגישות באזורים שישראל תפנה ולדווח מימצאיהם. ההליך הנ"ל בא לעקוף סיבוכים פרוצדורליים.
- ב. המשך שיחות בין ישראל לבנון (והאוי"ס) בנקורה או מחוצה לה על השגת הסכם, בהיקף כזה או אחר, לשילוב יוניפי"ל בשלבי הנסיגה.

טוריה

4. לשאלתי בדבר עמדת דמשק למכלול נאקורה, אמר שהטורים מלכתחילה היו בלתי ברוורים לגבי יוניפי"ל. אמרו לאמריקאים (מק היה במשלחות של מרפי) מסכימים, אך לא צפונה מהליטני ועל הגבול הבינ"ל. לשאלה "ומה באמצע" - התחמקו.

5. דמשק חשדה לאורך כל הדרך שישראל מוליכה אותה שולל:
א. אינה מתכוונת לסגת באמת.

מה היה שיהיה מן המלך ר/אליזאבטת רם אמן רהינאן
(יזר לבטן אריף)

260 - A : 7K
51 - YJ

6. הסורים, ע"י מק הגיעו למסקנה וכך אמרו למרפי בפעם האחרונה שהיה בדמשק, שישראל רואה את שיחות נקורה תחליף להסכם מאי ומושכת אותם למצב של BOg Down. בסופו של דבר ישראל תפנף בהסכם כדי להוכיח בין אם הדבר נכון ובין אם לאו, שגורו את הסורים לויתורים.

א. להוכיח שעמידה נחרצת מול ישראל משתלמת

7. מק הדגיש שבטעה שהדרום בעדיפות ראשונה אצל הלבנונים, שניה (אחרי הנושא הכלכלי) אצל הישראלים, הרי הוא ה-5 במניין הטפירה הסורית. הנושאים הקודמים לו:

ב. נושא ההנהגה (כינוס הבעתי/ריפעת)

ג. היחסים עם אש"ף והזירה הבינערבית (איראן, עיראק וכד')

ד. מערכת היחסים עם ברה"מ.

8. מק שמע, אך אין חימוכין בידי, ססוריה פועלת תחת אילוצי המשולש ירדן-אש"פ-מצרים.

9. אין להם תמונה מצב בסוריה לגבי מה שמתרחש בכינוס הבעת'. הדיונים מתרכזים בשני נושאים כלכלה ורענון המפלגה (והממשלה). אסד, למרבה הפלא נוכח בכל הדיונים הארוכים והמייגעים אך שומר על שתיקה מוחלטת.

10. ריפעת. לא חזר למעמד הכח שהיה בידינו טרם צאתו לגלות. ממשיך לאבד גובה ואינו מורגש בועידה למרות שמופיע בכל אירוע. סביר שפועל מאחורי הקלעים.

11. פרישת אסד ומינוי יורש. מק בדעה שכל האופציות פתוחות מבלי שיהיה לו מידע בנידון. לא מוציא מכלל אפשרות שאסד אמנם ימשיך, אך כבר בועידה יצוץ שמו של המועמד מטעמו שיפעל לצידו ובהדרגה יתחלק איתו בעול. באותה מידה של סבירות, אם כי לא גבוהה, שאסד לא יעמיד עצמו לחקופת נשיאות נוספת.

ירדן-אש"פ-מצרים

12. בשעה שערפאת ממשיך ב- Dancing שלו וכלל לא ידוע לאן הללו יובילו אותו, הרי ירדן ומצרים פועלות ברצינות כדי להניח משהו על השולחן האמריקאי בעת ביקור מבוראק בווינגטון.

הערכתו שהללו פועלים על בסיס 242 והסכם קמפ-דיוויד - מינוי נציגים פלשתינאים מהגדמ"ע ועזה לצד אלו מירדן, ובמסגרת האוטונומיה דהיינו דיון על ה- Final Status של השטחים.

הערה

13. למרות שמק היה ענייני והתחלק עמי במחשבותיו הוא לא נמנע מלהעיר שלישראל יש חלק בעקשנות הסורית - הכותרות בתקשורת טביב סידורי הבטחון הנדרשים מסוריה.

14. טען שאם אמנם חוסיין והפלשתינאים יביעו הסכמתם להכנס לשיחות ולדון בנושא "עחיד השטחים" קשה יהיה לארה"ב ל"ליקנות" את עמדת ישראל שהאוטונומיה נועדה לאנשים אך לא לאדמה מים וכו', תפעס, אמר, "זה יהיה קשה".

בריה"מ

מתוך שיחה עם אריק אדלמן (המחלקה הסובייטית - מחמ"ד)

1. מגעי ארה"ב - בריה"מ לגבי המזה"ת. איסקוב משגרירות בריה"מ בווינגטון בא ביום ו' 4.1.85 והודיע כי בריה"מ מוכנה לפגישות בדרג מורפי-פוליאקוב לגבי המזה"ת. הסובייטי הזמין את מורפי למוסקבה בחודש פברואר. הדיפלומט הסובייטי הקריא מנייר נקודות את עמדת בריה"מ תוך דגש על רצונה של זו בשלום ויציבות במזה"ת. נייר זה לא הוטאר בידי האמריקנים.

2. בדיונים פנימיים בתוך מחמ"ד נטו אנשי המחלקה הסובייטית במחמ"ד להענות להזמנת הסובייטים לקיים המפגש הראשון במוסקבה משום שהעריכו כי הדבר יאפשר להם גישה נוחה יותר לפקידים סובייטים (הערה - יצויין כי גישת אנשי שגרירות ארה"ב במוסקבה ושל אנשי המחלקה הסובייטית במחמ"ד מוגבלת מאד). אנשי NEA הביעו התנגדות לקיום הפגישה הראשונה בבריה"מ מתוך הערכה כי הדבר יתפרש שהישג סובייטי ויפגע במעמד וושינגטון בעולם הערבי.

3. אדלמן הוסיף כי בשיחות ג'נבה הזכיר שולץ כדרך אגב את הענות בריה"מ להצעת האמריקנים לדבר על משברים אזרחיים ושיב את הגישה הקונסטרוקטיבית הזו. גרומיקו לא הגיב על כך. אדלמן ציין כי הסובייטים התעלמו משאר אזורי המסבר שצויינו בהצעת ארה"ב המקורית מסוף אביב 1984 (דרוס אפריקה, המפרץ הפרסי) ובחרו להתייחס, אמנם באיחור רב, רק לאזור המזה"ת. אדלמן הדגיש כי אין כוונה להגיע לתאום מבצעי עם הסובייטים או לגיבוש נוסחה משותפת נוסח הודעת ארה"ב-בריה"מ מ-1.10.1977. עם זאת, מקווים כי השיחות תהיינה מועילות ותיעדרנה צביון של דו-קרב תעמולתי. לשאלתי הצביע אדלמן על מתכונת השיחות שניהל השגריר קנדי במוסקבה בסוף נובמבר 1984 עם עמיתיו הסובייטים בהן נדונה באזירה נינוחה, נעדרת כל נימה אידיאולוגית, סוגיית הנשק הגרעיני וחפוצה גרעינית בעולם. כמו כן, ציין אדלמן כי לדעתו לא חשבו במחמ"ד עד הסוף מה בדיוק תכלית שיחות אלו.

4. אדלמן ציין כי בעקבות הפרסום בזכר אפשרות דיאלוג סובייטי-אמריקני בנושאי מזה"ח התבקשה מחלקתו להכין הודעה עבור דובר מחמ"ד שנועדה להרגיע הרוחות ולהצביע על כך שלא חל שינוי בעמדתה של ארה"ב לגבי חתהליך המדיני באיזור. כמו כן, יתודרכו שגרירי ארצות ערב על עצם המהלך בדומה לתדורך פלמר בישראל. אדלמן ציין כי למיטב ידיעתו לא הודיע פלמר למצרים על הדיאלוג הנ"ל בין מעצמות העל.

5. עסקת נשק ירון בריה"מ. אדלמן לא ראה דברים ברורים בנידון, אולם התרשם כי הירדנים יקנו ציוד להגנה נגד מטוסים. ציין תוחחי ZSU 23/24 וטילי SA-14. מעריכים כי העסקה תהיה בסדר גודל של 200-300 מליון דולר בתנאים פיננסיים נוחים. עם זאת, בשאר הערכת מחמ"ד כי אין חוססין מעוניין ביחסי רכש משמעותיים עם בריה ..

Handwritten:

MR. ROHBERG: Let me take a look into that and see where we are on that, following on last week's guidance.

QUESTION: Alan, on the Middle East again, have you made any contact with the Syrians regarding the Israeli plan for withdrawal from south Lebanon?

MR. ROMBERG: I'm not going to get into the specifics of the diplomatic dialogue we have had. Obviously, we have had both with Ambassador Murphy's extended trip up there and through our diplomatic missions, a lot of dialogue, with a lot of the parties who are involved. But I just am not going to get into the specifics.

QUESTION: I just mean after the last visit by Ambassador Murphy to Damascus?

MR. ROMBERG: I'm not going yet --

QUESTION: Has there been any contact?

MR. ROMBERG: Well, obviously, we have had diplomatic contacts with Syria. I'm just not going to get into the question of with whom we speak about what and when. But clearly, Syria is one of the important players and we continue to talk with them about the general subject.

QUESTION: Is the United States concerned that the Israeli withdrawal now announced will produce the same sort of anarchy and chaos that the Israeli withdrawal to the Aweli caused a year and a half ago?

MR. ROEMER: Well, I don't have a judgment to offer on that. I think that, as I say, we think that perhaps this will stimulate further conversation about the arrangements. I think Mr. Labrani (?) had a piece as well as the Cabinet announcement yesterday which indicated that the Israelis would look to continuing discussions about political arrangements. So I'm not going to try to speculate on that.

just like for 103d and 620 both had some more

תדרוך דובר מחמ"ד ליום ג' 15.1.85

QUESTION: How does the Department assess the Israeli Cabinet decision to withdraw from Southern Lebanon?

MR. ROMBERG: The United States welcomes Israel's decision to withdraw its forces from Lebanon. We have consistently supported withdrawal of all foreign forces from Lebanon. (Pause.) (Laughter.)

QUESTION: How!

MR. ROMBERG: Well, if you have any further question, I might respond.

QUESTION: Alan, do you also consistently support a negotiated withdrawal? This is a unilateral one. So how do you feel about that?

MR. ROMBERG: Well, we continue to support the U.N.-sponsored talks at Naqura as a means of achieving arrangements necessary for a resolution of the security problems in south Lebanon and we believe the Israeli decision could provide a new impetus for progress at Naqura toward arrangements that would be in the interest of all parties involved.

QUESTION: How about — (inaudible)?

MR. ROMBERG: I think that the Israeli Prime Minister may have talked to — or the Defense Minister — I can't remember which one — may have talked to that a little bit, but I think we'll leave that as I just stated.

QUESTION: Here you consulted before this decision was taken by the Israeli government?

MR. ROMBERG: Well, this was an Israeli government decision.

QUESTION: Well, that I understand.

MR. ROMBERG: I don't think we'll get into the question of diplomatic dialogue, but this certainly was an Israeli government decision, not ours. Our thoughts about it, I will leave you with in terms of what I said before.

QUESTION: What about beforehand?

QUESTION: Alan, yesterday the Islamic Jihad claimed responsibility for the killing of the two French people, but of more concern to CNN, they also they are going to try Jerry Levin (?) and the other Americans who have been kidnapped. Does the State Department have a reaction?

MR. ROMBERG: Yes. Although we cannot confirm that the individual making of the statement has any connection with the Islamic Jihad, we nevertheless take this as a grave and serious threat. These innocent people have been held captive for extended periods of time -- in some cases, approaching a year -- and allowed no contact with their families. Their treatment violates the norms of civilized behavior and is contrary to the very religious tenets the caller in Beirut claims to defend. There is, of course, no foundation to the charges that these individuals, quote, "used Journalism, education and religion as a cover," closed quote, for, quote, "subversive activities," closed quote. And that is patently absurd.

QUESTION: On the welcoming of the Israeli decision, does the welcome extend or cover the Israeli plan itself, the three stage plan?

MR. ROMBERG: I don't have a detailed reaction to give you on the plan as announced. I think I'm going to stick to the words I've already given to you.

QUESTION: Going back to the Middle East. Regarding the Israeli announcement about Lebanon, what is the U.S. role going to be now? You say this may give new impetus to the talks. What is the U.S. going to do in this situation?

MR. ROMBERG: I don't think anything in principle that's any different, Don, from what we have been doing, which is to be as helpful as we can be in a manner that we can be. But that does not change the nature of our involvement. If you're asking, are we going to get into mediation, I have no indication at this moment that we're going to get into mediation per se. As I say, we continue to support the U.N.-sponsored talks at Naqura as a means of achieving agreements and arrangements on southern Lebanon.

QUESTION: Will the United States support them by sending Mr. Murphy or somebody else out there to see if it can get this impetus you're hoping for?

MR. ROMBERG: At the moment, I don't know of any specific plans by Ambassador Murphy to travel to the region, but I don't rule out the possibility of another trip. It would be foolish for me to do that.

NEWS SUMMARY

JAN. 15, 1984

ISRAEL APPROVES 3-STAGE PULLOUT FROM LEBANON

FIRST STEP EXPECTED WITHIN FIVE WEEKS

Wash. Post, Walsh: ... The Cabinet gave tentative approval-subject to later votes-to the remaining stages of the plan, which calls for the Israeli Army to withdraw to the border by about next fall.

The first stage is to be a pullback along the Lebanese coast, from the Army's current positions on the Awwali River to a new line between the Zaharani and Litani rivers south of Sidon, the main population center in southern Lebanon.

The second stage, tentatively planned for this spring, calls for a similar pullback in the eastern sector of southern Lebanon in which the Israeli Army would abandon positions that now put it within rifle range of Syrian soldiers and artillery range of Damascus. The new line in eastern Lebanon will be near Hasbayya, according to the Cabinet announcement.

ISRAELI DEFENSE CHIEF TO VISIT U.S. FOR TALKS

Wash. Post: Israeli Defense Minister Yitzhak Rabin is scheduled to come here Jan. 28 for talks with Defense Secretary Caspar W. Weinberger and Secretary of State George P. Shultz, U.S. and Israeli officials said yesterday.

The officials said Rabin is making the visit in return for a trip to Israel by Weinberger last fall.

SHARON JURY BEGINS DELIBERATING

Wash. Post, Denton: The six jurors in the trial of Ariel Sharon's libel suit against Time Inc. began deliberations this evening after hearing nearly two hours of complicated instructions on how to go about deciding the case.

"The case involves a balancing of values, both of which are important in our society," U.S. District Court Judge Abraham D. Sofaer told them.

... The jury deliberated for 2½ hours tonight before recessing until

2 FRENCH OBSERVERS KILLED IN BEIRUT

Wash. Post, Boustany:

Two French military observers on patrol were gunned down in a Shiite suburb today, and the group claiming responsibility, the Islamic Jihad, warned that it would try as spies five Americans it holds hostage.

SUCCESSFUL "SUPER SUNDAY"

PLEDGES TO ALLIED JEWISH APPEAL TOP \$3.6 MILLION

Wash. Post, Hyer: ... The federation functions as a sort of united fund for the Jewish community, raising money to support Jewish educational, community relations and social service programs in the Washington area and around the world.

The money goes for causes as diverse as Jewish-oriented day care centers in the Washington area, packets of food and clothing for elderly and destitute Holocaust survivors in Poland and Romania, and old-age homes in Israel.

THE LAZARUS PROJECT

The Sun, Blumberg: For more than two decades, Jordan and Israel have been diverting sweet water that normally flows into the Dead Sea from the Jordan River and its chief tributaries. Both countries have benefited. Irrigated crops yield a bountiful harvest on both sides of the river and the supply of fresh water for man and domesticated animal assures a continuing habitation of the area.

There is, however, a potentially high ecological and monetary cost. ...

FACTIONS IN PLO PUSHING ARAFAT BACK INTO CORNER

Boston Globe (14.1) Wilkie: To put it quite simply, the Palestine Liberation Organization does not know where to go from here.

Only six weeks after Yasser Arafat reasserted his control over the fractious organization at the Palestine National Council meeting in Amman, there is a feeling among many of Arafat's followers that he must soon deliver some tangible gains for the Plestinian movement or lose influence.

News Summary January 15, 1985

Columns

NYT-Uri Lubrani "Lebanese Peace in Syria's Hands" We hope that Israel's unilateral deployment in Lebanon will restore Lebanese sovereignty over all Lebanon, revive the country's economy and promote coexistence between the various religious communities. It will be extremely difficult to achieve without the cooperation of both Lebanon and Syria. Israel hoped that Syria would approve an agreement between Israel and Lebanon. They didn't. It is not too late though. If Syria helps resolve the problem in Lebanon, it would be in their interest. It would help Damascus play the central role it seeks in the tangled politics of this region.

Press Reports

Israel To Withdraw From Lebanon

NYT-p.1-Friedman The Israeli Cabinet approved a plan to withdraw from Lebanon in three stages, beginning in 5 weeks. The exact timing will need to be approved and if chaos results in the first pullback, the 2nd and 3rd stages would be delayed. Both Peres and Rabin have made it clear that they seek to establish ties with the Shiites of the south. The decision was another serious blow to Shamir and the Likud. Shamir has been overshadowed by Peres since the formation of the national unity gov't. (see DN-combined; NYP-no byline-ND-Rabinovitch; WSJ-Kessel)

Jewish Groups Deplore Law of Return Bill

NYT-Goldman p.6 A coalition of 21 major US Jewish groups said a proposal before the Knesset was "morally and religiously offensive to us." They said that the proposed change could do harm to the principle of Jewish unity at a time when there are massive problems in Israel. (see DN-no byline)

Sharon Trial

NYT-Lubasch-The jury began deliberations in the Sharon-Time trial. Time issued a correction in this week's issue. The statement acknowledges that Appendix B does not contain details about Sharon visiting Phalangist leaders but the magazine "stands by the substance of the article. Sharon called the correction "another lie." (see text of Time statement-NYT; ND-Kroger; NYP-Smilson; WSJ-Friedman)

NYT-Brooke-Man In The News-Judge Sofaer-The judge is a Sephartic Jew of Arab origin. He speaks some Arabic and spends summers in Jerusalem. He was born in Bombay and traces his roots to Egypt and Iraq. He describes himself as a Jew, proud of his Arab heritage. He is a democrat and worked on the Sharon case under a random system of picking judges for cases.

Missing Americans in Lebanon

NYT-Kifner-An anonymous caller claiming to represent Islamic Holy War said that the 5 kidnapped Americans would be put on trial as spies. The caller also took responsibility for the death of the deputy commander of French troops in Lebanon. (see ND-Reuters; DN-AP)

D'Amato on Nazi

DN-Rainie-Sen. D'Amato claimed he was deceived into writing a letter to Shultz last Sept. arguing against deportation of a Nazi war criminal, Karl Linas. He says an emigre group concealed the fact that Linas commanded a concentration camp.

Iran-Iraq

NYT-Reuters-Iran said its warplanes shot down an Iraqi jet over the Gulf, and Iraq said its jets hit another "naval target" near Kharg

Abortion Terrorists-Anti-Semitism

*** Village Voice-1/15-Ridgeway-The fanatic Christian fundamentalists who have been bombing abortion clinics in the US are supported by anti-Semitic, white supremacy groups. For example, a Klan organization has this on a taped dial-a-message, "Almost all abortion doctors are Jews. Abortion makes money for Jews,,,Jews would do anything for money, including the rape of innocent children followed by the ripping and tearing of the living child from the young mother's womb, while it is still forming. Jews must be punished for this holocaust and murder of white children." Other groups see abortion as a corporate plot masterminded by Jews.

Honorable Shimon Peres
Prime Minister
Jerusalem, Israel

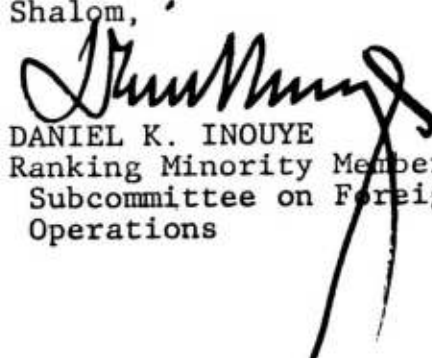

Dear Mr. Prime Minister:

We wish to thank you for the many courtesies extended to us during our recent visit to Israel. Although our visit was a very brief one, we learned much. The information we gathered will be extremely helpful to us as we begin our legislative process to provide what we feel will be necessary to help Israel live through this present economic crisis. We fully realize the critical nature of your problem and are also aware that time is of the essence. Sensing this, we will require additional information to buttress your case and gather necessary support for immediate assistance.

Mr. Zev Wolfson will be leaving New York City this Sunday and will be in Jerusalem the following day. He will have with him a brief message and a set of questions from us. Your assistance in this matter will be much appreciated.

ROBERT W. KASTEN, JR.

U.S.A.

Dear Senator Inouye,

Thank you for your warm letter of January 15, 1985 and the message delivered by Mr. Zev Wolfson. I consider them additional expressions of your friendship as well as constructive advice. I shall continue to value and seek both.

As you probably know, your messages reached me on the eve of the final phase of the negotiations concerning implementation of our economic program. Having successfully concluded these negotiations I believe that we may look forward to the kind of stability that is a pre-requisite for further growth.

As we monitor carefully the economic indicators as well as the all-important pre-requisite for economic stability, indeed, our most precious asset -- newly gained public confidence -- we are both hopeful and encouraged.

The enclosed "talking points" will assist you in realizing the comprehensive and far-reaching nature of the program for economic stability.

Indeed, I trust that our effort here at home will have its echoes in your continued support.

Most sincerely,

Shimon Peres

Dear Senator Kasten,

Thank you for your warm letter of January 15, 1985 and the message delivered by Mr. Zev Wolfson. I consider them additional expressions of your friendship as well as constructive advice. I shall continue to value and seek both.

As you probably know, your messages reached me on the eve of the final phase of the negotiations concerning implementation of our economic program. Having successfully concluded these negotiations I believe that we may look forward to the kind of stability that is a pre-requisite for further growth.

As we monitor carefully the economic indicators as well as the all-important pre-requisite for economic stability, indeed, our most precious asset -- newly gained public confidence -- we are both hopeful and encouraged.

The enclosed "talking points" will assist you in realizing the comprehensive and far-reaching nature of the program for economic stability.

Indeed, I trust that our effort here at home will have its echoes in your continued support.

Most sincerely,

Shimon Peres

Encl.: "Talking Points"

1. Following a thorough analysis of the effects of the package deal, and in the wake of comprehensive preliminary deliberations with the two 'partners' to the deal (Labor and Management), it has become apparent that the implementation of the program -- as presented by Finance Minister Modai and Director General Sharon -- would require unilateral imposition by the government; would drive inflation up by over 20% during the first month of implementation; and would likely result in socio-economic dislocations that could render the program unsustainable.
2. Consequently, and based on the dominant consideration of the need to sustain newly acquired public confidence as a pre-requisite for success, we have introduced certain modifications to the original plan. While preserving its comprehensiveness, they reflect the determination to implement the plan by consensus -- rather than through imposition -- as well as the psycho-economic need to sustain a one-digit monthly inflation rate while protecting foreign currency reserves.
3. Consequently, representatives of Government, Management and Labor gathered for intensive negotiations with the aim of reaching an agreement prior to the expiration of the 'package deal'. The need to avoid a period of uncertainty produced a decision to cut subsidies even as we were still negotiating.
4. These negotiations produced a plan for stabilizing the economy, including an eight-month agreement (to be re-negotiated upon request as of the end of five months) that includes the following measures:

- a. Immediate termination of all subsidies for fuel
 - a savings of \$480 million.
- b. A cut by half of subsidies for water (requires an act by the Knesset)
 - a savings of \$ 60 million.
- c. An immediate cut by half of the subsidy for electricity
 - a savings of \$100 million.
- d. A decision to cut the other half of the subsidy for electricity within six weeks
 - a savings of \$100 million.
- e. A 25% increase in the price of subsidized foodstuffs
 - a savings of \$ 75 million.
- f. Two equal subsequent increases of 13% each in the prices of foodstuffs
 - a savings of \$ 75 million.
- g. An increase of 55% in the price of public transportation (to be implemented in ten days)
 - a savings of \$ 40 million.

An agreement has also been reached on procedure for a further drastic reduction in the subsidy for public transportation within a few months.

- h. During the months February-March 1985, subsidies will be cut by an additional \$200 million per month.
-
- 5. The total annual sum of immediate cuts in subsidies: \$780 million.
The eventual total annual sum of cuts in subsidies: \$1.15-1.20 billion.
 - 6. The need to avoid a drastic -- if temporary -- increase in prices rules out a simultaneous substantial devaluation of the Shekel.
Consequently, for the time being, we have not reduced foreign currency insurance for exports.

7. The Bank of Israel is not party to these measures and is independent in its decisions on monetary policy. Its intentions are, however:
 - a. to sustain an adequate foreign currency exchange rate based on trends of the index wholesale prices and expectations;
 - b. to establish a credit volume that is compatible with the government's policy of restraint.

8. The contribution of each of the parties to the agreement and to subsequent measures as described below, is as follows:
 - a. Labor:

Agreed to a first -- and most significant -- violation of the historical principle of automatic index compensation. This is translated into an agreement to forgo 30% of the otherwise mandatory wage increases. This amounts to a reduction of 7-7.5% in compensatory wage increases.

Concurrently, out of concern for the less well-to-do, all employees will receive a flat \$9.5 (nine and one half U.S. dollars) during the first month, and a flat \$2.0 (two U.S. dollars) during each of the following two months.
 - b. Management:

Agreed to absorb some 15% added costs by limiting price rises to an average of 5%. This is particularly significant in light of the fact that management had already absorbed added cost of some 30-35% accrued during the previous three-month freeze.
 - c. Government:

Agreed to grant employees who earn under \$720 a month, a 5% income tax cut for the months of June and July.

Total cost: about \$9 million per month.

9. Concurrently, all government services and taxes are not subject to this agreement. Thus, for example, a 300% increase in the cost of postal services and a 400% increase in telephone rates are being contemplated.

10. Also, the implementation of earlier agreed upon cuts amounting to \$1.1 billion in government operational expenditures is in progress.
11. Additional measures currently under discussion include:
 - a. A five-day work week in the public sector.
 - projected savings of \$200-250 million.
 - b. A wealth tax, with a projected yield of \$300-400 million.

להלן ממיונרבי שנילווה אל אדאבו:

אדאבו אמר שהקונגרס הנוכחי איננו בקודמיו מבחינת נוחות
 לישראל ולעניינים יהודיים, לדברי אדאבו פעולה בקונגרס למען
 ישראל ולמען היהודים בארה"ב נהיתה קשה. סיפר שניסה ליוזם
 שבועי ההמדרשה היהודית, בעבר יכול היה בנקל לגייס כ-300
 חתימות למען יוזמה כזו בבית הנבחרים. הפעם זה קשה במיוחד.

אדאבו הטעים שאם ישראל לא תודרו לעשות יחסי ציבור בעיתונות
 האמריקאית וביעילות יהיה קשה לקונגרס לאשר את הסיוע לישראל
 בהיקף המבוקש. אדאבו אמר כי על ישראל להבהיר בהסדרה את בעיה
 שיעור הריבית הגבוה שהיא משלמת שכן הציבור הרחב בארה"ב
 איננו מודע למימדיה והבטחה על כלכלת ישראל. אדאבו עמד
 בהרחבה על קשריו ההדוקים עם הקהילה היהודית שבמחוז בחירתו.

Dear Mr. Prime Minister:

It was a great pleasure to meet with you in Israel and share your thoughts and concerns about the relationship of our countries and the realities of the Middle East.

Our time at the Holy sites was inspiring and our sessions with you and Vice Premier Shamir and Deputy Director General Bar-On were very instructive. I'm convinced that the leaders of both Israel and Jordan want peace and I pray you will have the opportunity to establish a meaningful dialogue.

On behalf of Congressmen Bonker and Nelson and all the members of our delegation, let me again express our appreciation to you and our best wishes for the new year.

Sincerely,

1. מתוך שיחה עם קרצ'קו , הוא מחכה לשמוע תשובה מצרית לגבי התאריכים המוצעים . סיפר שרובינסון אישית רצה לבוא לשיחות אך הוחלט שזה דרג בכיר מדי .
2. סיפר שהמצרים טוענים שישראל היקשתה במשך הזמן עמדותיה בנושא הסדרי הבניים . ציטט שיחה עם בגין שאמר בזמנו שאנו מוכנים לראות את אזור טאבה כ- *NO MAN'S LAND* בפיקוח הכרי"מ , וכן מברק של דב טיאון שנשלח מיד לאחר חתימת ההסכם של ה- 25 באפריל שבו הודיע לכרי"מ על נכונותנו למסור להם סמכויות שיטור .
3. העיר שהוא מבין שהמצרים בדילמה , מצד אחד ככל שמתמשך המצב הקיים מחזקת ריבונותה של ישראל באזור . מאידך אם יגיעו איתנו להסכם לגבי תפקידי כרי"מ הם חוששים שהדבר יתפרש כהשלמה עם יתר המעשים שלנו באזור . קרצ'קו מעריך שהמצרים בכול אופן יסכימו לפשרה על תפקיד הכוח מאחר וחשוב להם העקרון ולא פרטי התפקיד .
4. הוסיף שהפנטגון מתנגד להעניק ליחידה האמריקאית סמכויות שיטור .

קרה רעה שהם חתמו על הסכם זה עם היריבים שלהם וזו היתה טעות רצינית

MR. KALB: YES. YOU CAN HAVE COPIES OF THAT.

QUESTION: THEN, BERNIE, WE HAVE NOT DISCUSSED THE MIDEAST WITH THE SOVIETS AND DON'T PLAN TO?

MR. KALB: WELL, LET ME PUT IT THIS WAY. NO AGREEMENT WAS REACHED IN GENEVA TO HOLD THE MIDDLE EAST EXPERTS TALK. THE SECRETARY NOTED U.S. INTEREST IN DISCUSSING REGIONAL ISSUES AS WELL AS OTHER ITEMS ON OUR AGENDA. THE FOCUS OF THE MEETINGS IN GENEVA WAS ON ARMS CONTROL. CONSIDERATION OF POSSIBLE DISCUSSION OF THE MIDDLE EAST HAS BEEN HANDLED THROUGH DIPLOMATIC CHANNELS.

QUESTION: BERNIE, WHAT YOU'RE SUGGESTING IS THAT AT SOME FUTURE DATE THERE WOULD BE EXPERTS TALKS. I MEAN, DIDN'T THE PRESIDENT SUGGEST THAT IN THE U.N. SPEECH, AS YOU HAVE CITED?

MR. KALB: WHAT I CAN TELL YOU ON THAT IS THAT NO MEETING HAS BEEN SCHEDULED AT THIS TIME.

QUESTION: WAS THERE DISCUSSION IN GENEVA ABOUT SCHEDULING SUCH A MEETING?

-3-

MR. KALB: WELL, I'M TELLING YOU THAT THERE WAS NO AGREEMENT
REACHED AT
GENEVA AND BEYOND THAT, I CANNOT TAKE YOU, JOHN.

QUESTION: DID THEY DISCUSS THOUGH?

MR. KALB: I'LL REPEAT THAT TO THE QUESTION AS TO WHETHER AGREEMENT TO REACH A MIDDLE EAST EXPERTS TALK WAS REACHED AT GENEVA, THE REPLY IS NO AND INSOFAR AS THE DETAILS OF THE DIPLOMATIC EXCHANGES BETWEEN THE SECRETARY AND SOVIET FOREIGN MINISTER GROMYKO, OBVIOUSLY, I CANNOT GET DRAWN INTO THAT.

QUESTION: IS THERE A POSSIBILITY THAT AMBASSADOR MURPHY WOULD BE GOING TO MOSCOW TO DISCUSS THIS PROBLEM AND ARE YOU IN TOUCH WITH THE ARAB AND ISRAELI GOVERNMENTS ON A POSSIBLE SUCH APPROACH?

MR. KALB: I HAVE NOTHING TO GO BEYOND WHAT I JUST SAID.

QUESTION: DO YOU HAVE ANYTHING ON THE TOUR BEING TAKEN NOW BY FORMER SECRETARY CISCO (?) TO THE AREA, TO THE MIDDLE EAST?

MR. KALB: YES, I DO HAVE SOMETHING ON THAT AS A MATTER OF FACT. TO BEGIN WITH, A FORMER UNDERSECRETARY OF STATE, JOSEPH CISCO IS IN THE REGION ON A PRIVATE VISIT. NOW DO YOU HAVE ANYTHING YOU WANT TO FOLLOW UP WITH?

QUESTION: YES, I WOULD LIKE TO. HOW ABOUT THE TRIP OF PAUL MCCLUSKEY, THE INITIATIVE OF PAUL MCCLUSKEY AND THE VISIT OR THE INITIATIVE OF BRUNO KREISSKY AND ALL OF THE TALKS IN THE LAST FEW DAYS?

MR. KALB: I HAVE NOTHING ON ANY OF THAT.

QUESTION: OKAY. I WANT TO FOLLOW UP. THERE ARE TALKS IN THE MIDDLE EAST. SOME NEWSPAPER QUOTED THAT SECRETARY SHULTZ WOULD BE VISITING THE MIDDLE EAST IN THE NEXT FEW DAYS OR FEW WEEKS OR FEW MONTHS. WHAT DO YOU HAVE ON THAT?

MR. KALB: NOTHING.

QUESTION: WHAT ABOUT THE VISIT OF MARK PALMER? THE OTHER WEEK THEY SAID TO US THAT YOU ARE SENDING HIM TO BRIEF ISRAEL AND EGYPT. IS IT BRIEFING ON WHAT HAPPENED IN GENEVA ABOUT THE MIDDLE EAST OR WHAT?

MR. KALB: IT IS MY UNDERSTANDING THAT THAT WAS A BRIEFING IN CONNECTION WITH GENEVA, BUT I HAVE NO FURTHER DETAILS.

QUESTION: IS MR. CISCO TAKING ANY MESSAGES ON BEHALF OF THE ADMINISTRATION AND DO YOU EXPECT ASSISTANT SECRETARY MURPHY TO GO BACK TO THE MIDDLE EAST?

MR. KALB: I THINK THE SECOND QUESTION WAS RAISED, BILL. AS I SAID AT THE VERY OUTSET, CISCO, HIS JOURNEY TO THE MIDDLE EAST IS ON A PRIVATE VISIT AND I KNOW OF HIS CARRYING NO MESSAGES. I'M UNAWARE OF IT.

QUESTION: DO YOU HAVE ANY COMMENT ON THE ISRAELI NEWS THAT A SORT OF A FIVE-YEAR PLAN OF ARMS SALES TO ISRAEL HAS BEEN SIGNED DURING THE VISIT OF SECRETARY WEINBERGER TO ISRAEL?

MR. KALB: I HAVE NOTHING ON THAT. I'M SORRY.

QUESTION: DID THE U.S. RAISE THE QUESTION OF SOVIET JEWRY AND THE SOVIET JEWISH IMMIGRATION AT THE GENEVA TALKS?

MR. KALB: THE QUESTION OF HUMAN RIGHTS IS SOMETHING THE UNITED STATES IS VERY CONCERNED ABOUT AND THE SECRETARY SEEKS TO RAISE THAT ISSUE WHEN HE CAN. I WILL, HOWEVER, NOT GO INTO ANY SPECIFIC DETAILS.

QUESTION: WHEN YOU ARE DISCUSSING ARMS CONTROL, THE QUESTION OF ARMS SUPPLY TO THE AREA, TO THE MIDDLE EAST AREA, WAS DISCUSSED? ANOTHER QUESTION ABOUT THE POSSIBLE UNILATERAL ISRAELI WITHDRAWAL FROM LEBANON.

QUESTIONS: ALL RIGHT. LET ME GO BACK TO THE FIRST QUESTION THAT ONE OF MY COLLEAGUES ASKED ABOUT MARK PALMER'S VISIT. IN VIEW OF MARK PALMER'S VISIT TO THE MIDDLE EAST, WHERE HE IS GOING TO BE IN ISRAEL OR ALREADY HAS BEEN IN ISRAEL, AND THE CONSULTATIONS WITH THE ARAB AMBASSADORS IN WASHINGTON, D.C. LAST WEEK, WITH SECRETARY MURPHY, AND THE HEAD OF THE RUSSIAN DESK AT THE STATE DEPARTMENT, DO YOU CONSIDER ALL OF THESE MOVES AS ROUTINE DIPLOMATIC ACTIVITY, OR WAS THERE ANY DISCUSSION IN GENEVA ABOUT THE MIDDLE EAST?

MR. KALB: I THINK I HAVE ALREADY GONE INTO THIS SEVERAL TIMES, TO THE DEGREE THAT I CAN, NOT TO BE DRAWN INTO ANY DISCLOSURES ABOUT THE CONFIDENTIAL DISCUSSIONS. ABOUT YOUR GENERAL QUESTION AT THE OUTSET, THAT TOO, I CANNOT MAKE ANY CHARACTERIZATION.

ISRAEL NEARS PULLOUT DECISION

CABINET DISCUSSES STAGED WITHDRAWAL FROM LEBANON

Wash. Post, Max: The Israeli Cabinet opened discussion today on a plan for a staged withdrawal of Israeli troops from Lebanon. "The intention is to finish tomorrow and to reach a decision," Cabinet Secretary Yossi Beilin said after a six-hour meeting of P.M. Shimon Peres' Cabinet.

Defense Minister Yitzhak Rabin said in an interview broadcast yesterday that the plan before the government called for a phased withdrawal in southern Lebanon, beginning in the northwestern sector around the Mediterranean port of Sidon.

SHARON AIMS TO TEACH TIME A "LESSON"

Wash Post, Denton: Despite major courtroom victories in his \$50 million libel suit, Ariel Sharon said he will not be satisfied until he teaches Time magazine "a kind of lesson" and makes it "more cautious when it comes to the truth and professional journalism."

The former Israeli defense minister, in a two-hour interview in the Regency Hotel suite that has become his command post, said Time had attacked him with more intensity than even his Arab foes.

"These things that they wrote were written in hatred," he said. "I never felt hatred of the Arabs when I fought them. Here there was a vicious system, and I felt a hatred when I faced a vicious system."

ISRAEL PAPER SAYS U.S. SOVIET AGREE TO TALKS ON MIDDLE EAST

The Sun, AP:The United States and the Soviet Union have agreed to open talks on the Middle East conflict, the Israeli newspaper Haaretz reported yesterday.

Haaretz quoted U.S. officials in Washington as saying the agreement was reached during last week's arms control talks between Secretary of State George P. Shultz and Soviet Foreign Minister Andrei A. Gromyko in Geneva.

משיחה עם ג'ון שוורץ .

בית הדין הבינ"ל - ניקראגואה .

החלטה אמריקאית לא להשתתף בהמשך הדיונים התקבלה לאחר התלבטות רבה וכתוצאה מפשרה. הבנתי שאנשי המקצוע בלשכה המשפטית התנגדו לכך. לגבי ההמשך הבנתי כי ארה"ב שוקלת תיקון להצהרתה בצורה כזו שתוציא מטיפוט ביה"ד במפורש כל נושא שקשור לנושאי בטחון ארה"ב ושימוש בכוח. כנראה שזו זה לא סוכס סופית והם מצפים שיערכו בקורב דיונים בקונגרס ושדיונים אלה עשויים להספיע על הצעדים שארה"ב תנקוט. הם חוששים מהחלטה בית דין בינ"ל בהאג על אף זכות הוטו שבידם בוועדת הבטחון. החשש נובע מהסכנה שבתי משפט בארצות שלישיות ינצלו פסק הדין לפגוע ברכוש אמריקאי. לדבריו יש כבר תקדימים של זכות לנצל פסק דין בינ"ל ישירות בבתי דין מוניציפליים, בין היתר דבר זה התאפשר במסכם אלג'יר עם איראן. הוסיף שתיתכן אפילו פניה לבתי משפט אמריקאיים לצורך יישום החלטה אפשרית של בית הדין הבינ"ל. אפשרויות אלה אינן קיימות במקרה של פסק-דין מייצץ של בית הדין. על כן כל דאגותיה של ארה"ב מופנות הלפי פסק-דין בין-צדדי יריבים להבדיל משפט דין מייצץ.

משפט תל-אורן

סיפר שכנראה בשבוע הבא יגישו חוות דעתם לביהמ"ש העליון. חוות הדעת תהיה שמחמ"ד אינה ממליצה על כך שבית-המשפט ישמע את הערעור. נימוקי מחמ"ד הם אותם נימוקים שקודם השמיץ לי, שאינם מעוניינים ששופטים יכריעו בנושאים עדינים של משפט בינ"ל.

- אשר לבקשתי שלפחות יעירו "אגב אורחה" בנושא הטירור העיר: בנושא קביעת אחד השופטים שאש"פ איבד גוף שחב חובות לפי המשפט הבינ"ל, הם מחססים להעיר מאחר ואם יטענו שאש"פ כן חייב, המסקנה יכולה להיות שלאש"פ גם זכויות לפי המשפט הבינ"ל. מאחר ואני שותף להיסוסים אלו, לא לחצתי.

- לגבי קביעת שופט אחר שטירוריים אינו מהווה עבירה בינ"ל העיר שוורץ שגם כאן הם מהססים מאחר ואם יטענו שמדובר בעבירה יאלצו להגדיר מהות טירוריים בינ"ל, ומיד

יכתבנו בנושאים כמו מעשי טירור של מדינה (הזכיר דרום אפריקה). כן הוסיף שלמעשה אין עבירה של טירור בין-לאומי אשר אינו מהווה עבירה לפי דין מוניציפלי. עיקר דאגתם בנושא זה שבית המשפט יפרט התייחסות מחמ"ד כאל חמירה ברעיון שניתן לקבוע בבית משפט אמריקאי על סמך עילה של טירור בינ"ל. מתנהל עתה משפט נוסף על ידי אזרחים מביקרגואה נגד ממשלת ארה"ב בבית משפט אמריקאי, כמנסה להתבסס אף הוא על עוולה בינ"ל, ומחמ"ד חושש מהתקדמות. עם זאת הם יצאו עם גיבוי חריף לנושא הטיורור הבינ"ל.

טענתי שאין מספיק בגיבוי, העדר קביעה שמעשה טירור מהווה עוולה בינ"ל בעצמו מהווה תקדים חמור. הצבעתי על כך שארה"ב רואה בטורח מעשים עבירות בינ"ל (פירטתי-פשעי מלחמה, פירטיות, חטיפת מטוסים). מבלי שנקטה עמדה אם ניתן להכיר אנשים אלו לדין בבית משפט אמריקאי רק על סמך העוולה הבינ"ל.

הערה: אני נפגש בשבוע הבא עם בוב אוקלי (ראש אגף למלחמה בטיורור) ואעלה הנושא עמו. שוחחנו גם על בית הדין. אעביר בדיפי'.

דע: סגרירות קהיר (610)

משיחה עם היועצים בשגרירות המצרים (פרגל, חילמי, שלבי) ב-14.1.

אש"פ-ירדן

1. מובראק רוצה לבוא לכאן עם "משהו ביד" מחוסיין והפלשתינאים.
2. המצרים דוחקים בגורמים הנ"ל לבוא לידי הסכמה בשני נושאים:
א. הייצוג המשותף. דהיינו שאש"פ יסכים לנציגות פלשתינאית מהגדמי"ע לצידו של חוסיין.
ב. מסגרת לשיחות. המצרים מעריכים שבזמן הקצר לא ניתן להגיע לנוסחה מוסכמת שתדל לפרטים. לכן ישנן שתי אפשרויות: התייצבות הגורמים הנ"ל כל אחד "עפ"י דגלו". חוסיין עם דגל של יוזמת ריגאן, ואילו הפלשתינאים עם דגל תכנית פאס. האפשרות השנייה, והפחות סבירה, הכנסת אלמנטים קוזמת ריגאן לתוכנית פאס. המינימום מבחינת המצרים היא הסכמת הצדדים להתייצב לשיחות והשאר בסגנון "נראה אח"כ". ד"ר פרגל לא הוציא אפשרות ביקור קרוב של עראפת בקהיר, אני מניח שיש דברים בגו.

טאבה

3. הנציגים המצריים, עפ"י היועצים, יציגו קו נוקשה בשיחור בבאר-שבע: דהיינו הכנסת כמ"ר, בוורות וביצוע ההסכם שלדעתם ישראל לא מבצעת.
4. מדרך הצגתם עולה שנושא טאבה עומד בעדיפות עליונה מאשר הנושא הירדני-פלשתינאי. הסברם הוא שיטוב נושא טאבה יעזור למצרים לשכנע הירדנים והפלשתינאים ללכת להסדר. השיבוטי.

לבנון

5. מנקודת מבטם עדיף שישראל תיסוג עם הסכם לבנון מאשר בלעדיו. לא כל כך בשל "דאגתם" לסוליה אלא בתוך השקפה שהסכם ישראלי-ערבי נוסף ישרה אורה חיובית בזירה וישפיע על מגזרים אחרים.
6. להערכתם עדיין יש אפשרות להגיע לפשרה באג'ין יוניפי"ל. הודעת אמין יכולה לשמש נחת לכך. טוב היה לו נושא יוניפי"ל היה מסוכס בין לבנון והאוי"ם. דהיינו יוניפי"ל.

פנימי" אבל שיענה על דרישות ישראל.

7. מבחינים בשינוי בעמדת ארה"ב בעקבות שליחות מרפי. השאיפה להגיע להבנה עם סוריה התחלפה, בגלל הנסיבות ^{בהסתגלות} לנסיגה ישראלית, כך או כך.

מצרים - בינערכי

8. הולך ומתפתח דו שיח שקט אבל ענייני עם אלג'יריה. המדובר, בין השאר, בשי"פ בנושא לוב ולטווח ארוך בנושא אפריקה. נושא הסכסוך as such לא עלה. אבל לדעתם אלג'יריה יצאה ממעגל הסרוב מבלי שתכריז על כך בקולי קולות.

9. לא ידעו על שינוי במערכת יחסי מצרים - לוב.

10. תולים עמדתה הנוקשה של סוריה בעניין שיחות נקורה בחשש מהמתרחש במגזר הירדני-אש"פי. הסורים, כך נטען, חוששים שיישוב בעיית לבנון ישחרר את ישראל לנושא הירדני-פלשתינאי, דבר שיקל כמובן על חוסיין וערפאת.

הערה

11. פעם שנייה שאני נתקל בתופעה שלפגישה עם פרגל מופיעים 2-3 יועצים. אני מניח מטעמי בטחון...

12. פרגל טען שהסגרירות, לפחות בדרג היועצים, אינה בסוד ענייני המזה"ת. מסתבר שלסגרירות בווינגטון אין עדיפות בקבלת מידע על פני יתר הנציגויות. אני נוטה לקבל חלק מהסבר זה גם אם יש הגזמה בכך.

מתוך שיחה עם אד פוקס, סגן עוזר מזכיר המדינה לענייני קונגרס.

1. מרבית השיחה עסקה ב-Agenda של הממשל בקונגרס ה-99. במחמ"ד מתכוננים למאבקים קשים הצפויים בנושא MX וחקציב. נושאים אלה זוכים לעדיפות עליונה בעיני שולץ. דוגמא לכך מצוייה בכך ששולץ מיהר ללכת לשני בתי הקונגרס יומיים אחרי שובו משיחות ג'נבה. שולץ הופיע בפני 21 סנטורים ו-45 מורשיט בשתי הופעות נפרדות, סגורות לקהל, במטרה להסביר עמדת הממשל ולבקש תמיכת הקונגרס בה. לראשונה מזה חדשים רבים התנהל דו"ח ענייני, נעדר צביון פוליטי בין נבחרים הציבור לבין מזכיר המדינה. עם זאת, מחמ"ד סבורה שעם שובו של הקונגרס לעבודה סדירה אחרי השבעה הנשיא יצוצו המחלוקות הפוליטיות השונות והממשל יצטרך להקדיש משאבים רבים כדי להבטיח השגת מטרותיו.
 2. מבחינת העיתוי המאבק הראשון הצפוי הינו סביב המשך בניית טילי MX. אחרי 28.2 הנשיא יבקש המשך התוכנית וינמק זאת בצורך לחזק עמדתו במו"מ הצפוי עם הסובייטים. למחמ"ד לא ברורה עדיין עמדת הקונגרס. כך למשל בחירתו של המורשה הצעיר אספין, ייתכן ומשקפת פשרה לפיה הבטיח אספין קו מילטנטי יותר נגד תוכניות הממשל. שולץ נפגש בנפרד עם מנהיג הרוב החדש בטנס עוד בטרם יציאתו לג'נבה וציין באזניו חשיבות הצלחת המאמץ בנושא MX. פוקס סבור כי סוגיית ה-MX יהווה מבחן לכושרו של ריגאן להעביר תוכניתו בקונגרס. סנטור דול ציין באוזני שולץ כי המבחן הראשון למנהיגותו הינו אישור המשך בניית טילי MX.
 3. נושא התקציב טרם גמור. שולץ קיים סדרת פגישות עם סטוקמן בה ביקש העלאה בסה"ב סיוע החוץ. סטוקמן נכון לגידול מסויים, אולם אינו רוצה בגידול משמעותי. פוקס ראה מספרים שונים, אולם לפי שעה אין החלטה סופית ולכן מעריך כי תאריך הגשת התקציב לקונגרס יידחה השנה. פוקס ציין כי מצבה של ישראל בהקשר זה הינו שונה משאר המדינות המקבלות סיוע.
- פוקס סיפר כי מחמ"ד "עצה למצרים להתחיל לפעול למען הצגת ה-case בקונגרס ולא להתחין לכך שמלאכתם תיעשה ע"י קשירת בקשתם לסיוע לזו של ישראל. פוקס סיפר כי ביקור וליניס בוועסינגטון בחודש שעבר כלל מספר ביקורים בגבעה שנועדו להסביר

עמדות שונות של מצרים, לרבות נושא הסיוע. עם זאת, מודע פוקס לרתיעת חברי קונגרס רבים להגדיל הסיוע הכלכלי למצרים שעה שקיים ב- pipeline סיוע בסדר גודל של למעלה מ-2 בליון דולר שטרם נוצל. פוקס ציין כי יקל על הממשל ועל חברי הקונגרס באם הצעדים הכלכליים בישראל יתגבשו לכלל חוכנית כלכלית מקיפה. על ישראל להבין כי על אף התמיכה הרחבה יתקשו חברי הקונגרס להצביע אוטומטית עבור הסכומים המבוקשים. פוקס שמע מפני ידידים מובתקים של ישראל הערכה כי תלוותה הגוברת בסיוע האמריקני אינה תופעה בריאה ושידידי אמת של ישראל ימצאו דרך לומר לה "עד כאן".

4. מכירות נשק לערבים. אגף הקשר לקונגרס לא נחבקש בשלב זה לבוא בהצעות כלשהן לגיבוש אסטרטגיה בנידון. פוקס טבור שטרם נפלה החלטה סופית בנידון אם כי קיימת נכונות למכור נשק למדינות ערב המתונות. מקבלי ההחלטות עסוקים בנושאים אחרים וטרם נטלו זמן כדי לדון בעניין. ייתכן וביקורים קרובים כגון זה של המלך פאהד יאלצו להקדיש זמן ומחשבה לנושא זה. כללית, אין הממשל שט למאבק נוסח אוואקס. פוקס בדעה שעל הממשל לקבוע קודם כל סולם עדיפויות מבחינת העיתוי ולטפל בנושא אחד כל פעם. חזר וציין כי MX ונושאי תקציב קודמים מבחינת טיפולם. עם זאת, ציין כי בחור מחמ"ד הושמעו גם קולות אחרים שדרשו להודיע לקונגרס מיד על עסקה סעודית בהנחה שהצפת הקונגרס בנושאים רבים לטיפול ישכיח נושא זה. פוקס הדגיש כי ההחלטה הסופית שמורה בידי שולץ ואין הוא פועל תמיד לפי עצת מומחים.

5. פוקס ניתח השינויים בצוות הבית הלבן וציין כי הליכתם של בייקר ודרמן לאוצר מחלישה יכולתו של האגף הפוליטי בבית הלבן לטפל בנושאי מדיניות חוץ ובטחון. ציין כי ייתכן שבמסגרת הגל הנוכחי יחולו גם שינויים בהרכב אגף הבית הלבן המופקד על הקשר לקונגרס.

הערה להערכתי בנושא מכירות נשק יחזור הטיפול ויופקד בבית הלבן בידי ה- NSC (כפי שהיה הדבר עד כניסת בייקר לנושא זה בספטמבר 1981). כמו כן, גם תפקיד אגף הקשר לקונגרס של מחמ"ד יתחזק כתוצאה ממינוי דונלד ריגן כיו"ר צוות הבית הלבן.

*** ND-Anderson "D'Amato, Officials Halt Deportation of Nazi Camp Chief"
A Nazi war criminal, Karl Linnas, who lives on Long Island, was about to be deported. He had his citizenship stripped but before he was booted out, several members of Congress, including D'Amato, intervened to stop his deportation. D'Amato later retracted his original letter of support, fearing the wrath of the Jewish community. The Captive Nations Committee is behind much of the lobbying effort not to get Nazi's deported.

The Press Reports

Israel Puts Off Decision on Lebanon

NYT-Friedman-The Israeli Gov't discussed a proposal by Rabin for a phased withdrawal from Lebanon, but then delayed a final decision, probably until Monday. Israeli military officials would like to see Nabilh Berri's Shiite Amal militia take over the non-Christian areas they evacuate. Urquate is due in Israel with his own proposal for breaking the deadlock. Israeli officials do not think Urquate will be successful. Even many Likud officials are in favor of a phased withdrawal. Shamir, Arens and Sharon do not believe a withdrawal is the correct action to take at this time. (see ND-combined)

US-Soviet Talks on Mideast Expected

NYT-special-The US informed Israel and Egypt last week that Shultz and Gromyko agreed to hold discussions on the Mideast. No date has been set and there is reported to be no change in the US position in the region.

US-Ethiopian Jewry

*** NYP-Wire (Kuwait) A former US official said the US helped airlift several hundred Ethiopian Jews from Sudan to Israel for "humanitarian" purposes, the Kuwait press reported. There was no immediate reaction from the US. Sisco spoke in Kuwait.

משיחות ב- INR ב-11.

כללי

1. האמריקאים אינם בהמונת המצב הנרקמת עתה בעמאן ואשר שתי צלעותיה האחרות הן קהיר ואירופה.
2. ההסבר שניתן הוא שחוסין אינו נוטה לשתף את האמריקאים בהלך מחשבותיו מחמת הרגשתו שהם מסתייגים ממהלכיו.
3. רעיונו של חוסין להפוך את עמאן לאכסניה של המל"פ לא באה ע"מ להשיג אפקט בתחום יחסי ציבור או בתחום הפסיכולוגי.

אש"פ-ירדן

4. חוסין עשה "סיעורי בית" משיחותיו עם ערפאת באפריל 83 והגיע למסקנה שלא לאפשר לו לחזור על התרגיל בנוסח "אני (כביכול) מסכים אך האחרים (הועה"פ של אש"פ) מתנגדים", והפעם הוא החליט לחייב את כל ראשי המתכנסים בעמאן קרי פח"ח. חוסין הבחיר לאבו איאד, אבו ג'יהאד, קדומי ואחרים שהם חייבים במתן תשובה לעיקרים שהציג בכינוס.
5. נראה ממה שידוע, שחוסין אין חכנית בגדר של blueprint ומדובר בעקרונות הגורמים הנ"ל מעריכים שחוסין מנסה לאחד אלמנטים מ-242 ויוזמת ריגאן. הוא יודע, כך נאמר, שאי אפשר לנגוע בהחלטה או להחליפה במשהו נוסח ההצעה הפרנקו-מצרית, אחרת הוא "משתק שח עם עצמו".
- הוא שואף למשהו בסגנון "תוספת משקל ל-242", שאמנם לא תשובה אך תענה במידה מסוימת על דרישות אש"פ, במה שהיא מכנה "שלום תמורת שטחים". באשר ליוזמת ריגאן, חוסין מנסה לשאוב ממנה את הרעיון של הליכה ירדנית - פלשתינאית משותפת למכור אותה לאש"פ.
6. הצלע השלישית במטולש היא המסגרת. המדובר במסגרת כוללת שתעסוק בכל היבטי הסכסוך ובלשון חוסין - ועידה בינ"ל. (הסכם נפרד בין אם מעוניין בו ובין אם לאו, אינל. בא. בחשבון מבחינתו) לכך הוא מנסה להשיג גיבוי בינערכי שאין לו.
7. באשר לאש"פ. ב-INR טוענים שיש מידה גדולה של הבנה, אמנם כללית, בין חוסין לערפאת המבוססת על הקווים המשותפים הנ"ל:

למה רוצה שהם יאמרו (לירדנים) ואלו לא רח אמן

13. נאמר לי שקיים "הו ציי מין trail" שתחילתו בבחריין שם מגוייטים השיעים, המשכו באיראן שם הם מקבלים תדריך אידיאולוגי-דתי, משם מועברים לסוריה לקבלת אימון וחומרי נפץ. לפני המקומות הנ"ל הם נכנסים באשרות על גליון נפרד כך שבנואם לבגד הם מציגים דרכון חלק הישר מבחריין.

חילופי גברא

14. השגריר אברמוביץ (אירופה) נקבע כמחליפו של מונטגומרי כראש ה- INR. החילופין בעוד כחודשיים. אברמוביץ מוערך במינוי מקצועי (של שולץ במאבקו במינויים הפוליטיים) ואנליטקן ממדרגה ראשונה.

15. ג'ורג' האריס (ראש אגף מזה"ת) גילה שקיימת מחלוקת בין ה- INR (מחקר) לבין NEA (רגיונלית) בשאלת נסיגת ישראל מלבנון:
א. התיזה של המחקר הוא שגם אם ישראל תיסוג באופן חד צדדי וללא הסכם עם לבנון, קרי סוריה, הרי עצם המהלך בכיוון של מיתון המצב ובטווח ארוך תהיה לכך השפעה חיובית על הזירה.
ב. המחלקה הרגיונלית במחמ"ד סוברת אחרת. מהלך ישראלי כנ"ל הוא בבחינת "אסון" (דיויד מק איתו אני נפגש ב-15 מתנבא בסגנון כזה). יש לעשות הכל כדי שנסיגה תהיה במסגרת הסכם ישראלי-לבנוני.

הערה

16. מנסיוני בשני האגפים הנ"ל שמתי לב שבשעה ה- INR מחפד כגוף מקצועי העוסק בניתוח ובמחקר המשוחזר מ"שיקולים זרים" הרי שב- NEA יש לעתים טשטוש תחומים.

17. נראה לי שביסוד הערכה של NEA עומדת השאיפה ש"לא לאבד את סוריה" להמשך הדרך. הללו יוצאים מתוך הנחה שניתן לעשות זאת רק אם הסבר של נסיגת ישראל יותר במסגרת הסכם עם לבנון ושמאחוריו סוריה.

News Summary January 12-13, 1985

Editorials

NYT-1/13 "Topics; Lost in Africa, Let These People Go" No secrets were betrayed when Israel confirmed the rescue about people from a country that cared little about them. Nimeiry presumably wants to avoid trouble with Arab radicals, notable Libyans. But he still cares for the stranded Jews and his frontiers remain open. Whether Israel erred in confirming the story is secondary. The migration needs to be completed. The US is hardly without resources to complete the deliverance of another lost tribe in the wilderness. The Sudan has no desire to detain these Jews and Ethiopia needs to feel its people.

Columns

DN-Auletta 1/13 "A Case of Libel, A Lesson in Journalism" As the trial enters its final days, many journalists who have covered the trial are repelled by both sides. If Time is found innocent of libel, it is guilty of journalistic felonies, most of all arrogance. Time got its facts wrong and refuses to admit it.

The Press Reports

Who is a Jew Debate

NYT-p.1- 1/12 Friedman-Israel appears headed for another major political debate over the question of who is a Jew. In the midst of many problems, Israel's religious parties have again introduced a bill in Parliament that would amend the Law of Return. The proposal has prompted a storm of protest in the American Jewish community because it would invalidate the conversions of Reform and Conservative converts. Neither Labor or Likud wants to offend the religious parties. Peres is against the amendment. The bill has a good chance of being passed.

Ethiopian Jews in Israel

NYT-Week in Review 1/13-Friedman (photo of social worker giving child care lesson) "Ethiopians Are A Joy and A Challenge For Israelis" There is for the most part, a sense of pride among Israelis that the Ethiopian Jews have arrived. In general, their arrival has triggered a wave of volunteerism. At a time of many problems, their arrival has been a welcome morale booster, a reminder of why the State was created in the first place. Yet, there will be difficulties. There are racists, but they are insignificant. It is development towns that are resistant. They do not have enough jobs and housing for residents already there. The yeshiva settlers are more than eager to take them in. The arrival of the Ethiopians could not have come at a better time for Israel's flagging immigration. Since 1980, it has totaled 12,000 to 16,000 people a year, roughly the same number of Israelis leaving. The

Sharon Trial

DN-Clark & Carroll-Sharon's lawyer summed up his argument yesterday stating that The Time story was a "filthy lie." Gould declared, to the laughter of most, "Sharon may be fat, but he ain't crazy." [see NYP-Smilion] 1/12

Lebanon

NYT-1/12-Kifner-An anonymous caller asserted that the kidnapping of an American priest was part of a campaign to force all Americans to leave Lebanon. He said he represented Islamic Holy War. He stated that all kidnapped Americans would be set free if all Americans left.

NYT-1/13-Kifner-The Lebanese Army began deploying its forces down the coastal road in a much heralded step in the Gov'ts attempt to extend authority beyond a few neighborhoods in the capital. Anarchy continues in West Beirut with 2 more car bombs killing 2 and wounding 25. The key question is whether or not this act is merely cosmetic. The issue will gain even more importance if Israel withdraws from the area around Sidon. Lebanon has rejected Israel's demands for a broader deployment of UN troops, saying such a move would violate Lebanese sovereignty. But this position has been undermined by Lebanon's inability to send its own Army down its own major highway.

Iran-Iraq

NYT-1/13-AP-The Kuwait airport control tower picked up a distress call in the Persian Gulf. But airport officials later said it may have been a hoax. An Israeli radio monitor in Tel Aviv said he had picked up signals indicating that a plane was in trouble and had crashed in the Persian Gulf with 197 people aboard. The plane was said to be a luftansa jet, but luftansa stated it had no knowledge of an accident.

NYT-1/12-Reuters-Iraq said its warplanes attacked two "naval targets" near Kharg Island.

4 Million Facing Starvation in Sudan

NYT-Miller-1/13-Sudanese officials and relief workers say that this chronically impoverished country could have a similar starvation problem as do the Ethiopians by midsummer. Workers say the already desperate situation has been made worse by the Government's delay in recognizing the severity of the drought affecting its own citizens.

CALLER SAYS BEIRUT BOMB WAS WARNING TO DRUZE MILITIA

Wash. Post, Wires: A 55-pound bomb attached to a mortar shell exploded in a crowded neighborhood in west Beirut yesterday, killing three persons in the second bombing directed at a civilian target in three days. ... "This is the first act in a warning addressed to (Druze Leader) Walid Jumblatt to get his Progressive Socialist party militiamen out of Beirut," a man who said he represented the previously unknown Youths of Free Beirut group told the Christian Voice of Lebanon radio.

SHARON'S LAWYER, SUMMING UP, FLAYS TIME'S CORRESPONDENTS AND EDITORS/ARTICLE 'SMELLS LIKE LAST WEEK'S FISH,' HE TELLS LIBEL JURY

Wash. Post, Denton: Ariel Sharon's lawyer assailed Time magazine reporters and editors today as smug, arrogant liars who libeled the former Israeli defense minister in an article that "smells like last week's fish." ... Gould compared Time's Jerusalem correspondent, David Halevy, to "burglars in the penitentiary," called former Israel bureau chief Harry Kelly a "dope" and several times described writers, researchers and editors at Time headquarters in NYC as the "smooth-faced boy scouts of the Avenue of the Americas."

The caller said the priest, the Rev. Lawrence Jenco, head of the Beirut office of Catholic Relief Services, and four other missing Americans would be freed unharmed "if all Americans leave Lebanon."

Phil. Inq., AP: Defense Minister Yitzhak Rabin said yesterday that he would present a plan today for the withdrawal of Israeli troops from southern Lebanon, which apparently would be left in the hands of Christian-led militia forces, not the Lebanese Army.

Interviewed on Israel Radio, Rabin said the withdrawal would begin in western Lebanon at the Awali River, 38 miles north of the Israeli border, and be followed by a withdrawal along the eastern front with Syria. Rabin said the aim of his plan, to be presented at today's cabinet meeting, was to "deploy the Israeli army in Israeli territory, leaning on a security belt in south Lebanon held by forces friendly to us."

Mr. Shimon Peres
Prime Minister
Jerusalem, Israel

Dear Mr. Peres,

I recently returned from a visit to Israel that was sponsored by the Jewish Community Relations Council here in New York. I want to thank you for meeting with our group—our interview with you was without doubt the highlight of an inspiring, wonderful trip. In addition, our visits to the Golan Heights, the absorption center for Ethiopian Jews at Atlit, and the community of Ofra in the West Bank area will be extremely valuable to me in my work because they will improve my ability to understand and explain events in the Middle East to my viewers.

Two people who were vital in making the trip a success were Benjamin Abileah of your Ministry of Foreign Affairs and Malcolm Hoenlein of the Jewish Community Relations Council. Mr. Abileah is a remarkably devoted and enthusiastic "ambassador" for Israel. His ability to answer questions across the spectrum of Israeli agriculture, government, and history was most helpful. In addition, he is a very fine, warm human being, who became a delightful and treasured friend. Mr. Hoenlein was top-notch at understanding the particular issues we needed and wanted to learn about. His knowledge and tireless dedication were impressive, and his good humor makes him a wonderful spokesman for the friendship between our two countries.

Thank you again for meeting with us and making our trip so special. I came away from Israel having seen much to admire.

Sincerely,

Donna Hanover

His Excellency Shimon Peres
Prime Minister of Israel
Jerusalem
State of Israel

Dear Mr. Peres:

I recently had the privilege of being a member of a mission sponsored by the Jewish Community Relations Council which visited Israel. During our visit we toured throughout your country and saw many historic and religious sites. Our trip was highlighted by a visit with you and Vice Premier Shamir and other members of your government.

The vitality and dedication of the Israeli people was most impressive, as is their dedication and determination to preserve their country and protect it from its enemies. I think everyone in my group, as well as I, returned home with a better appreciation of not only your country but also of its problems and accomplishments.

May I take this opportunity to commend to your attention Benjamin Abileah, Assistant Director, International Cooperation Division, Ministry of Foreign Affairs, who traveled with us during our visit and who contributed very significantly to the success of the mission. We were all very much impressed with him. You can take pride in having such dedicated people in your administration.

I look forward to a return trip when the opportunity presents itself.

Sincerely yours,

מחוך שיחה עם די"ר דמיטרי סימס (קרן קרנכי).

אבידן והח"מ נפגשנו היום. לשיחה עם סימס שחזר זה עתה מאירופה. סימס היה פרשן CBS בשיחות ג'נבה ומשם המשיך בשליחות הסברה של ממשלת ארה"ב לאנגליה. לטענתו השתתף בהתייעצויות מוקדמות לפני השיחות ושוחח עם מקפרלן, קנט דאם, וריצ'רד ברט. להלן ניתוחו את שיחות שולץ-גרומיקו:

1. השיחות היו ענייניות ורציניות. אין לצפות לתוצאות דרמטיות או מהירות. עצם קיומן מסמן חזרה לנורמליות. לשיחות אלו שתי מטרות:
א. לכונן דיאלוג בנושא המרכזי של בקרת נשק. השיחות היו בעלות צביון פוליטי ולא טכני-צבאי.

ב. לזכות בנקודות בעיני דעת הקהל העולמית.
המסלחת האמריקנית טבורה כי השיגה תוצאה טובה. ארה"ב לא עשתה ויתורים לסובייטים בנושא SDI, או לוחמה בלוינים (ASAT), לא ויתרה על המשך פריסת פרשינג 2 באירופה ושמרה על הפרדה מסוימת בין ההיבטים השונים (נשק הגנתי, נשק התקפי, ופרוז החלל החיצון). גם הסובייטים זכו להישג שעה שארה"ב הסכימה להכליל נושא היוזמה האסטרטגית (SDI) ברשימת הנושאים שתידון.

2. נושא זכויות האדם, לרבות הגירת יהודים עלה בשיחות בצורה אחראית. שולץ העלה הנושא אולם נמנע מלהיות confrontational. ביתר הדגשה עלה הנושא בשיחות של דרגים נמוכים יותר (שיחות ברט-קורגיינקו). המסלחת האמריקנית החליטה מראש שלא לתת לנושא זה לסכל סיכוי כינון אוירה טובה בשיחות שולץ - גרומיקו ולפיכך הוחלט שלא לאפשר פגישה אביסל שצרנסקי עם שולץ. בכדי שלא ליצור רושם מוטעה שבה"מ מקריבה נושא זה נפגש ברט בהבלטה רבה עם אביסל.

3. סימס ציין כי בניגוד לעבר נמנעו הפעם הסובייטים להגיב בחומרה על העלאת הנושא והסתפקו בשתיקה. סימס מעריך כי הממשל נשאר מחוייב לקידום נושא זכויות האדם בבריה"מ, אולם לא יפעל כדי לנקר עיני הסובייטים. הקו שהממשל ינקוט בנידון ידגיש

כי המשך הרדיפות והקו הסובייטי הבוקש יוצר בעיית יחסי ציבור קשה עבור הסובייטים בעמרב ולכן הקלה בנידון הספר התומכת הסובייטית, דבר בו הם צריכים להיות מעוניינים.

4. סימס בדעה כי חשוב להחזיק בנושא בתודעת דעת הקהל, העתונות והקונגרס, אולם על הממשל להיות פרקטי יותר בנידון ולהכנס למו"מ שקס עם הסובייטים במגמה להביא לשחרור רפיוזניקים בולטים. לדעתו, ניתן לפתור מקרה טצובסקי אם הסובייטים ישתכנעו כי לא תהיה מגמה המערב לנצל שחרורו למטרת ניהול מסע יחסי ציבור מכוון נגדם.

5. סימס שוחח בג'נבה עם ארבעה על נושאי ההגירה היהודית ושמע כי אל למערב לחשוב שניתן לחזור לשנות הדטנט כאשר מספרים גדולים של יהודים יצאו את בריה"מ. ארבעה ציין כי הגל הגדול של יציאות גרם לסובייטים הלם גדול מאחר ולא האמינו שכה הרבה אנשים, לרבות בעלי משרות טובות וחשובות, יבקשו להגר. סימס סבור שאם תיווצר טעם רצון טוב ניתן לחשוב על הקלה מסוימת ואפילו גדול במספר המורשים לצאת בצורה שתספק את ישראל אך לא תרגיז את הערבים. בתשובה לשאלתנו בנידון העריך סימס כי יציאת עד 5000 איש בשנה יכולה להיות אפשרות ריאלית בהקשר לשיפור משמעותי ביחסי שתי מעצמות העל. במקרה כזה יעדיפו הסובייטים שהיוצאים יבואו לישראל מאשר למערב.

6. באשר לאפשרות שיפור תנאי החיים של יהודי בריה"מ, לרבות זכותם לנהל חיים תרבותיים משמעותיים סימס בדעה שלא צפוי שיפור משמעותי. הסובייטים חותרים לטשטש לחלוטין הזיקה היהודית, לימוד השפה העברית מהווה איום משום שמחזק הזיקה לישראל, דבר שלא רצוי להם.

7. סימס מעריך כי ממשל ריגאן נחוש בהחלטתו לנהל יחסים ענייניים עם הסובייטים, אולם לא יהיה מוכן לשלם מחיר בנידון. לכן ימשיכו ההגבלות על יצוא חומרים אסטרטגיים; הממשל לא יעניק מעמד MFN לסובייטים ולא יתן אשראי או ערובות לקהיליה הבנקאית האמריקנית. עם זאת, סביר להניח כי הממשל לא ינסה להתערב אצל חברות ובנקים אמריקנים אשר ירצו לנהל יחסי מסחר רגילים עם הסובייטים בתנאי שאין בהם תרומה לעוצמתה הצבאית של בריה"מ.

Resumption of Airlift Urged by Rep. Gray

From News Services

Rep. William H. Gray III (D-Pa.) called on the presidents of Ethiopia and Sudan yesterday to allow the resumption of Israel's airlift of Ethiopia's Jews from the famine-ravaged country.

Gray, the new chairman of the House Budget Committee, sent letters to the heads of both nations, which have protested and forced the halt of the secret airlift from Ethiopia.

"Among the millions of persons threatened by the famine are the small and isolated communities of Ethiopian Jews," said Gray, who recently returned from a visit to Ethiopia.

"Current conditions in Ethiopia are particularly difficult for these people, and their unique culture and heritage has forced them to seek lives in another land," he said.

There are an estimated 7,000 to 12,000 Jews still in Ethiopia.

Meanwhile, civil rights leader Jesse L. Jackson, in a letter to Jerusalem Mayor Teddy Koller, said he is "considering the feasibility" of helping Ethiopian Jews emigrate to Israel. Koller has asked for Jackson's help.

דע: שר התמ"ס ניו יורק, מנכ"ל תמ"ס, מנכ"ל האוצר, צבי אלון - חל"ג

אס"ח קניות גומלין

לאחר קבלת ההצעות האמריקאיות, נבדקו קיימנו דיון דחוף בנוכחות צבי אלון מהרמל"ג, נחום מההתאחדות, מוטי אלון מסיבת וכן נכח שלמה ניר מתדיראן.

בעקבות הדיון ובהתייעצות עם מנכ"ל התמ"ס גבשנו מחשבות כדלהלן:

1. מסכימים להפחתה הדדית של הסף לגבי הרשויות שבקוד עד לסף אדמיניסטרטיבי וכלכלי של 50 אלף דולר (כפוף עדיין לבדיקה עם הרשויות ובמיוחד עם משרד הבריאות).

2. מוכנים כמובן שבצד ארה"ב יכללו גם רכישות משרד הבטחון שאינן מכוסות ע"י ה-MOP או הקוד. מבינים שמדובר בעיקר בטקסטיל ומזון ומבקשים שתבררו עם המשפטנים באם אין לגבי קניות אלו מגבלות נוספות כגון: צורך בערך מוסף גבוה מ-50% צורך בשימוש בח"ג מתוצרת ארה"ב, יש לבדוק גם עד כמה נוכל לעמוד בתקני המזון של הצבא, כמובן שיש לקחת בחשבון גם שהטקסטילים ימשיכו ברובם להיות כפופים למכסים גבוהים בשנים הקרובות.

3. קניות גומלין -

מוכנים להצהיר שההסכמים לרכישות גומלין נועדים רק להבטיח סיכוי הוגן לתעשייתנו להתחרות עם התעשיות האמריקאיות ויש לראות בפעילותנו שיתוף פעולה תעשייתי, המסד בישראל לא יתערב (פרט למקרים מאוד חריגים) בשום צורה ואופן בחלק העסקי של המו"מ בין התעשייה הישראלית לבין התעשייה האמריקאית.

ממשלת ישראל מתחייבת שלא להפעיל שום אמצעי כפייה בצורת ערבויות וקנסות וגם לא לדרוש התחייבות אבסולוטית לבצוע קניה נגדית בכל מחיר או ככל תנאי אחר שאינו על בסיס תחרותי.

פרט לאמור לעיל אין חוזר אין לוותר על רכישות גומלין ישיר ועקיף, דהיינו יש להמשיך בהסכמים הקיימים היום עם הפנטגון. לאלה חשיבות בהקשר לבטחון לאומי, בנוסף לחשיבות הכלכלית והחלפת הטכנולוגיה, הנ"ל על דעת צבי אלון (ראה מסמך רמל"ג רצ"ב).

4. SAA

ברור לנו שהתרומה מהורדת הסף תהיה נמוכה באם ימשיכו לחול חוקי העסקים הקטנים, גם כנגד חברות ישראליות. לדעת ההתאחדות אין להסכים לשום הצעה אמריקאית ללא פתרון בעית ה-SAA.

ניר עמדה בסוגיית שתוף פעולה תעשיתי

תפיסתה של ישראל את סוגיית שתוף הפעולה התעשיתי שונה בתכלית מזו של מדינות אחרות. אלה האחרונות אוכפות, באמצעות התניות חוזים נוקשות, את רכש הגומלין כתנאי מתנאי ההתקשרות. אנו, לעומת זאת, איננו כופים על התעשיות האמריקאיות. כל שאנו מבקשים זוהי הזכות להציג עצמנו באופן הוגן בפני התעשייה האמריקאית ובמידה ונמצא ראויים מכל הבחינות הרלבנטיות (טיב, מועד אספקה, מחיר וכיו"ב), למכור את תוצרתנו בשוק האמריקאי. אין אנו מבקשים לעצמנו - בחוזים שאנו כורתים עם התעשייה האמריקאית - עמדת יתרון על פני כל תעשייה אחרת, בארה"ב או מחוצה לה. הזכות שאנו מעגנים בחוזינו, בהקשר הנדון, זוהי הזכות להתחרות.

כל המעניין בחוזים שממשלת ישראל כורתת בארה"ב ימצא את המאפיינים לגישה שהוצגה לעיל, לאמור:

- סעיפים חוזיים המבטיחים את זכותנו להתחרות, ללא אפליה; סעיפים המבטיחים את זכותנו לקבל הצעות ולהגיב עליהן; סעיפים הפורסים את זכותנו על-פני שנים רבות (מעבר לתקופת האספקה החוזית) ועל-פני שיעורים נמוכים יחסית מהיקף החוזה. ניתן להגדיר את הפרקים העוסקים בחוזינו, כשתיתוף פעולה תעשיתי.
- ואלה הטעמים הבסיסיים לדרישתנו למתן הזכות להתחרות באופן הוגן בסמגרת שתוף פעולה תעשיתי:
 - ראשית - ישראל נמצאת מחוץ ל"צירי המסחר" הבינלאומי. במקומות רבים יש עדיין רתיעה להזמין אצלנו, לנוכח מצבנו הבטחוני (וזאת למרות שהתעשייה הישראלית עמדה בעבר בכל התחייבויותיה).
 - שנית - אין להתעלם גם מכך שמפעלים רבים נמנעים מלהזמין בישראל בשל סחרם עם ארצות ערב. זו מציאות קשה שלרוב ניתנת לה הסוואה מרשימה.
 - שלישית - תעשיות זרות שעמן נכרתו הסכמי-רכש-גומלין-קשוחים, זוכות בעדיפות התחלתית על-פני התעשייה הישראלית.
 - רביעית - קיימת אינרציה הרכשית ורתיעה מפני מקור חדש.
- על כן, ההסכמים שאנו גורסים נועדו להבטיח סיכוי הוגן לתעשייתנו להתחרות על ההזמנות של החברות האמריקאיות. אנו רואים פעילותנו בתחום זה לא כרכש גומלין, אלא כשתוף פעולה תעשיתי. ראוי לציין כי המחסד הממשלתי בישראל אינו מתערב (פרט למקרים מאוד חריגים) בשום צורה ואופן בכל החלק העיסקי שבין תעשייתנו והתעשייה האמריקאית. לשתוף פעולה תעשיתי זה יתרונות לשתי התעשיות. היתרונות לתעשייה הישראלית, ברורים. אולם, יש גם יתרונות רבים לתעשייה האמריקאית.
- א. כאמור, הרכישות הן על בסיס תחרותי בלבד, (פרט לחוזים ישנים). לעיתים קרובות, המקור הישראלי הוא מאוד תחרותי הן מבחינה הטכנולוגית והן מבחינת המחיר: הדבר תורם לרווחיות של המפעלים האמריקאיים. יצויין כי ככל שהזמנות נעשות על בסיס מכרז.

762 / ה

4) 401

- 2 -

- ב. קיימת זרימה דו-כוונית של כנולוגיות. בעקיפין יש בכך תרומה לתעשייה בארה"ב בכלל ומערכת הבטחון האמריקאית, לה מועבר עם טכנולוגיות ישראליות גם הנסיון הביצועי.
- ג. הרכישות בתעשייה הישראלית תורמת להרחבת השוק למוצרים האמריקאיים. הקנינים האמריקאיים פועלים לא רק על שוק הקניה אלא גם על שוק המכירה.
- ד. שתוף פעולה תעשיתי, יוצר תשתית תחזוקתית בארץ לצורך הנרכש בארה"ב. מכל הסיבות האמורות בצדק אנו מגדירים את פעילותנו כפעילות בתחום שתוף הפעולה התעשיתי, פשוטו כמשמעו.

ס כ ו ם

רכש גומלין אינו תפיסת עולם של הממשל הישראלי. מדינת ישראל דוגלת בסחר חפשי ללא התניה. אולם מחמת מצבנו המיוחד לנוכח המלחמה הכלכלית המנוהלת נגדנו ובשל סבות אובייקטיביות, אנו רואים בשיתוף הפעולה התעשיתי כלי חשוב במיוחד לפתוח מסיכת יחסים הדוקה בין תעשייתנו והתעשייה האמריקאית. זאת תוך תקווה, שתוף כמה גנים ההתניה החוזית תיעשה למיותרת. על כן יש להשאיר מערכת זו במתכונתה הנוכחית ולעודדה.

Press Reports

Israel Plans New Settlements

NYT-special-Sites for six new Jewish settlements in the occupied West Bank were approved, said a Gov't official involved in the decision. They would be the first settlements to be established since the Gov't of national unity took office. Financing for the new settlements has not been approved by the Gov't. Opposition legislators and some moderates oppose the decision, some saying it is too expensive, others stating that it could undermine any future territorial settlement with Jordan.

Sharon Trial

DN-Clark & Carroll-Time's lawyer said that Sharon sued "to purge himself of guilt" over his role in the 1982 massacre. He admitted that Time may have erred when it stated that a secret Israeli report contained references to a discussion about revenge. But he said that Halevy thought the information was there. (see NYP-Smillion)

ND-LA Times-Time offered Sharon at least a partial reaction but it was rejected by Sharon's lawyers. The proposal's details are not known but a source close to Sharon said it was part of a settlement offer.

Ethiopian Jews

Amsterdam News 1/12-Elliman-(photo of immigrants first meal in Israel) Ethiopian Jews are adjusting well in there new home. The article describes there journey from the airport in Israel to the abortion center. The article praises the Jewish Agency people and social workers.

Bank Leumi Uses Aggressive Advertising

DN-Linscott-Bank Leumi is starting an "awariness campaign" in New York. It is using a contest for people to write a jingle for the bank.

WSJ-p.1-Ibrahim-OPEC is losing it's battle in the world-wide struggle over oil prices. The winners are the free market producers. OPEC has lost control of prices because it sells a minor share of world oil. This is causing the cohesivness of the group to fall apart. Saudi Arabia is

Yemeni Woman

NYT-Miller (Sana) Yeimani woman get together nightly for an eastern type of "kaffeeeklatsch." They gather at a home and chew khat, drink cola and discuss the affairs of the world and local gossip. Khat produces a kind of euphoria and there is a debate raging on it's side effects. Some say it causes depression, reduced sexual drives and turns teeth green. The few Yeminites who oppose khat's use says the real threat is economic. It consumes a hefty part of a family's budget and has replaced coffee crops in much of the country. Woman in Yemen are mostly illiterate so woman say there is nothing else to do. Social life is strictly segregated in the cities. Many woman get married at 13 or 14.

Anti-Nazi Film Prompts Threats by Neo-Nazi Groups

NYT-Markham-The film "The Inheritors" was made because Walter Barnett questions the popular belief that neo-Nazism scarcely exists or is essentially harmless. The film warns youths away from neo-Fascist movements. In West Germany, intimidation by West German neo-Nazi groups against theaters has prevented the film from reaching a wide audience. SHARON'S MOTIVE FOR SUING ATTACKED/"HE HAD TO FIGHT SOMEONE," TIME LAWYER SAYS

Wash. Post, Denton: A Time magazine lawyer today accused former Israeli defense minister Ariel Sharon of suing the magazine for libel to shed the taint from an Israeli commission's finding that he bore "indirect responsibility" for the 1982 massacre at two refugee camps in Beirut.

... Barr suggested that Sharon and his lawyers were so desperate to find grounds for a suit that they singled out a comparatively minor paragraph in a 10-page cover story on the commission's findings and attempted to exaggerate its meaning.

ISRAELI COALITION NAMES 6 WEST BANK SETTLEMENT SITES

Wash. Post, Wires: Israel's multiparty coalition government has chosen sites for six new settlements in the occupied West Bank to be built by next autumn, officials said yesterday. Two settlements are to be built in the northern part of the West Bank, two in the Hebron area south of Jerusalem and one in the Jordan Valley, the officials told Reuter.

RESUMPTION OF AIRLIFT URGED BY REP. GRAY

Wash. Post, Wire Serv.: Rep. William H. Gray II (D-Pa.) called on the presidents of Ethiopia and Sudan yesterday to allow the resumption of Israel's airlift of Ethiopia's Jews from the famine-ravaged country.

Gray, the new chairman of the House Budget Committee, sent letters to the heads of both nations, which have protested and forced the halt of the secret airlift from Ethiopia.

ISRAEL'S SLUGGISH SIDE

The Sun, Wills: A surprisingly frequent reaction from visitors to Israel is to ask, "How do they win their wars?" Israel is the valiant little country that lives in a sea of hostile Arabs by virtue of its swift intelligence and computerized military units. ... But, taken as a whole, Israel is a very inefficient society. ... In certain ways, the general social sluggishness goes along with the country's brisk military responses.

QUESTION: EGYPT IS SEEKING \$1 BILLION MORE IN U.S. AID. DO YOU HAVE ANY RESPONSE TO THAT REQUEST?

MR. ROMBERG: WELL, THE EGYPTIAN GOVERNMENT HAS MADE VARIOUS REQUESTS FOR INCREASES IN THE LEVEL OF OUR ECONOMIC AND MILITARY ASSISTANCE. WE'RE CONSIDERING THESE REQUESTS BUT HAVE NOT YET MADE ANY DECISIONS AS TO THE

-2-

ASSISTANCE LEVEL WHICH WILL BE PROPOSED TO THE CONGRESS.

QUESTION: A FOLLOWUP? A FOLLOWUP ON THAT. DO WE SUBSCRIBE TO THE VIEW THAT THERE SHOULD BE PARITY BETWEEN INCREASES IN AID TO ISRAEL, AND AID TO EGYPT, THAT THOSE TWO ARE LINKED?

MR. ROMBERG: BOTH EGYPT AND ISRAEL ARE FULL PARTNERS IN THE PEACE PROCESS AND, AS SUCH, REASONABLY COULD EXPECT COMPARABLE TREATMENT. COMPARABILITY HAS NOT BEEN AND SHOULD NOT BE INTERPRETED TO IMPLY THAT AID LEVELS SHOULD BE IDENTICAL. WE'RE DEALING WITH TWO COUNTRIES WHOSE SPECIFIC NEEDS DIFFER.

QUESTION: ANYTHING ON THE PLANS BY ISRAEL TO BUILD SIX NEW SETTLEMENTS ON THE OCCUPIED WEST BANK?

MR. ROMBERG: NOTHING SPECIFIC. I WOULD REPEAT WHAT WE HAVE SAID BEFORE, THAT WE VIEW CONTINUED SETTLEMENT ACTIVITY AS AN OBSTACLE TO THE PEACE PROCESS. BUT I CAN'T CONFIRM -- I SAW THE WIRES SAYING THAT THERE ARE PLANS FOR THIS. I CAN'T CONFIRM THAT. I AM SIMPLY TELLING YOU WHAT OUR POLICY IS.

News Summary January 10, 1985

Editorials

WSJ "Murder By Hunger" The true cause of the Ethiopian famine has been whitewashed by the UN, large Western charities and American journalists working under Ethiopian influence. The famine has become a weapon in the Russian-backed governments war against proliferating rebellions. The Gov't hopes that starvation will do what its helicopted gunships can't. Yet, 90% of aid continues to flow through gov't control. The West needs to hear the real story. (see The New Republic-Allan Hoben 1/21)

Columns

WSJ-Dan Connell (Exec. Dir. Grassroots Int'l) "Millions May Starve, but Ethiopian Regime Bids to Control" Six million people in northern Ethiopia may starve to death. The Ethiopian Gov't is not giving aid to the victims. Food aid is becoming a powerful political weapon in the battle for control over the region. The UN is covering this up. (see TNR-Kaplan 1/21)

The Press Reports

Israeli Jets Bomb PLO Positions

NYT-Kifner-Israeli jets bombed suspected Palestinian guerrilla bases in the Syrian controlled sector of the Bekaa region of Lebanon. In West Beirut, a bomb exploded in an alley killing 4 and wounding 12. Police said they have no clues as to the whereabouts of Rev. Jenco, who was recently kidnapped. (see NYP-wire, DN-UPI, ND-AP)

West Bank U Faults Israeli Army

NYT-Friedman-Bir Zeit U., issued the results of an investigation into the behavior of Israeli soldiers in putting down a demonstration last year in which a student was shot and killed by Israeli troops. The 24 page report was entitled "No Mercy." The report includes photos of Israeli soldiers aiming and firing straight into a crowd of students. The Army reports that it's soldiers opened fire only after they threw stones, refused to disperse and knocked one soldier unconscious with a stone.

last fall. The US promised the Sudanese Gov't that aid, now almost \$250 per year, would continue to be maintained if the airlift was helped. Because of this connection, US Gov't officials were outraged when news of the airlift was made public. (see NYT- special)

US Funds for Ethiopian Jews

ND-Baum-NY area abbis will ask congregants to give 30% more than usual to UJA as part of a world-wide effort to raise \$60 million for the Jews who flew to Israel recently.

US-Israel Trade Pact

NYT-p.1-Business section-Farnsworth-The US and Israel have entered rough waters in efforts to negotiate a free-trade pact in which tariffs between the two countries would eventually be wiped out. Much is concluded in the agreement, what remains is the most controversial issues. For the US, one sticking point is the staging of tariff reductions to cushion the impact for textiles, footwear and other products sensitive to imports. For Israel, the major problem is the phasing out in a short time export and production subsidies that give products an edge in export markets. Both sides believe it is possible to conclude the agreement.

New York's Arab Banking Surge

NYT-p.1-Business section-Kristof-Four years ago, NY had only one Arab bank, now there are more than 20. No one is sure what they are doing here and if they will survive. "I actually tried to get an account from the PLO mission here," said one Arab banker who refused to be identified, "But they said they were very happy at Chemical." The banks try to avoid politics and religion due to the Arab-Israeli conflict. They therefore aim to serve only Arabs and US corporations doing business in Arab countries. The senior VP of UBAF Arab American Bank says there is no discrimination of Jews in hiring.

Sharon-Time Trial-Magazines and Press Reports

DN-Clark & Marques-Time conceded it was wrong it reported that information linking Sharon to a massacre of 700 Palestinians was contained in a secret document, but said that the evidence could possibly be found elsewhere. (see NYP-Smillion)

Sharon has emerged from his trail with his reputation in tact. This is an achievement for one of the world's most vilest men, a thug drenched in blood. Can people have forgotten that Sharon organized the Phalange entry into the camps? The fact that Halevy may have erred on the contents of the secret documents bu no means exonerates Sharon for the killings. Let the record be clear on Time. Since it began it has been a Bullyragging propaganda sheet, mashing together factoid and fantasy in the cause of the cold war, capitalism and the American way. Now even a greater bully is manipulating opinion with the same techniques. That is the great irony.

The New Republic-Ed-1/21-Any reasonable person covering the case would have to conclude that Time has no evidence against Sharon. That doesn't solve the libel issue but it does raise questions about how Time operates.

אנשי ה"סטייט דיפרטמנט" תדרכו היום פעם נוספת עוזרים בצד בית הנבחרים. חזרו על דבריהם מאתמול. אמרו שהם בקשר עם סודאן אך סרבו לפרט. אמרו שהסודאנים זועמים על הפרסום. חזרו על המספר של 1100 של אלו שנותרו בסודאן אך אמרו שאלו במחנות שבחסות הנציב לענייני פליטים ואין דאגה לגורלם. נקבו במספר הנותרים באתיופיה כקרוב ל-10,000 וכ-15,000 של אלו המצויים בישראל.

אנשי מחמ"ד ביקשו להמעיט ביוזמות של פניות ומכתבים. המתדרכים נקבו במספר של 250 מיליון דולר ל-3-4 שנים לצרכי הקליטה והוסיפו שישראל מתכוונת לגייס 60 מיליון דולר בארה"ב ו-10 מיליון דולר באירופה. הממשל, הוסיפו, מתכוון לבקש 25 מיליון מהקונגרס לצרכי קליטה בכלל ולא דווקא לאתיופיים.

יהודי אתיופיה. בהמשך לנו ערו וד.

1. ביטופ, ווילקוקס וקריגר ממחמ"ד טענו כי פחות מ-10,000 נותרו באתיופיה. בחשובה לשאלות המשתתפים בתדון נאמר שמצבם של אלה השוהים במחנה המעבר אינו חמור (הערה - מספר עוזרים שקיימו קשר רצוף עם מחמ"ד בנושא זה טענו כי לפני יומיים אמרו להם אנשי מחמ"ד כי רבים נתקעו בנקודות העליה למטוס ללא מזון ומקלט).

2. במהלך התדרוך לא היתה התייחסות כלשהי ליוזמות השונות בגבעה (המכתבים, המברקים ופניות טלפוניות).

3. ווילקוקס דיבר על הלכי הרוחות בתוך הליגה הערבית כלפי סודאן וציין כי אינו מעריך שתכונס ועידה מיוחדת שתדון בנושא זה. צויין כי סודאן מצויה בסכסוך עם לוב ולכן יכולתה של זו האחרונה להפעיל סנקציות כלכליות הינה אפסית. בקורת מצד סוריה הינה צפויה, אולם עד עתה סעודיה המעניקה סיוע לסודאן טרם הגיבה. עוד נאמר כי סודאן לא סבלה לפי שעה adverse consequences אם כי קיימת דאגה מוצדקת בנידון. עם זאת, סירבו אנשי מחמ"ד לתת סימן כלשהו לגבי מגעים דיפלומטיים המתקיימים למען חידוש המבצע. הם סירבו בתוקף לדבר על התפקיד האמריקני בנימוק שהדבר יכול לפגוע בסיכויי המאמץ הדיפלומטי.

4. אחד המשתתפים הביע באזני פליאתו לנוכח שינוי קו מחמ"ד בימים האחרונים, הנ"ל סיפר כי תחילה זכה לעידוד שקט ממחמ"ד לפנות לנומיירי בצורה שקטה, אולם אתמול חזרו אנשי מחמ"ד וביקשו מירב הדיסקרטיות כדי לאפשר לאבק לשקוע.

5. תדרוך נוסף בנידון יתקיים היום בבית הנבחרים לפי בקשת ועדת החוץ.

6. בינתיים פועל קריגר כדי לשכנע את ביל גרין לעצור את הטכת למובראק (נוסח הוברק בנפרד). עד כה חתמו כ-20 מורשים עליו. על מכתב אקרמן חתמו עד עתה 25 מורשים ועל אף לחצי מחמ"ד אין אקרמן מוכן לוותר. מכתבו אמור להשלח לשולח היום אחה"צ.

NEWS SUMMARY

THURS., JAN. 10, 1985

ISRAELI MAYOR ASKS JACKSON'S HELP/AID IN SECURING ETHIOPIAN JEWS' PASSAGE SOUGHT
Wash. Post, Dickenson: Mayor Teddy Kollek of Jerusalem has asked Jesse L. Jackson to try to persuade the governments of Ethiopia and Sudan to allow Ethiopian Jews in those countries to resume immigrating to Israel.

Kollek made the request in a telegram Tuesday and a telephone call to Jackson here yesterday. Jackson made preliminary calls to the Ethiopian and Sudanese embassies yesterday to schedule meetings with officials to determine if such an effort is feasible, a Jackson spokesman said.

"Reverend Jackson is trying to determine what Mayor Kollek wants him to do and to determine the feasibility of getting involved, to learn whether he can be helpful," spokesman Lamond Godwin said.

ISRAELI PLANES STRIKE IN EASTERN LEBANON

Wash. Post, Wires: Israeli warplanes attacked a Palestinian base in eastern Lebanon's Bekaa Valley yesterday, two days after Israel suspended troop withdrawal talks with Lebanon.

No casualties were reported in the airstrike and a Lebanese police spokesman said rockets fired by attacking Israeli warplanes missed their target, United Press International reported.

ISRAELI AID TO ETHIOPIA

Wash. Post, Wires: The Ethiopian government has approved a \$250,000 Israeli shipment to famine victims in the east African nation just days after the halt of a massive airlift of Ethiopian Jews to Israel, the Israeli Red Cross said.

EGYPT SEEKING \$1 BILLION MORE IN U.S. AID

Wash. Post, Ottaway: Egypt has asked the U.S. for a boost in economic and military assistance of almost \$1 billion for fiscal 1986, to a total of \$3.15 billion, according to P.M. Kamal Hassan Ali.

מסיחה עם רענן לוריא היום:

בתום הראיון עם מובראק (ג- וצ בדצמבר) בשיחה עם הנשיא הוא נגע בחלופי גברא בהנהגה הסורית והביע הערכתו כי קרוב מועד החלפת אסאד. לשאלת לוריא אם אכן אחיו הוא היושע הזכיר מובראק שמו של גבראל עלי אטלאן והוסיף "למרות שהוא לא כל כך ידוע כדאי לשים לב אליו ולזכור היטב את שמו"

כאמור דברי הנשיא היו בשיחה פרטית ועל כן הם אינם לצטוט או ליחוס.

1. מצ"ב עוד יוזמה בבית הנבחרים של המורשה השחור מיקי לילנד ושל היהודי רון וידן. המכתב הופץ היום ועד עתה 20 מורשים הצטרפו ליוזמה. התקשרתי לשני המשרדים וטענתי בהתאם להנחיות שלכם. בתשובה נאמר כי יביאו זאת בחשבון אולם שומרים לעצמם החופש להחליט בנידון.
2. מכתבו של אקרמן עם 28 חתימות נשלח היום אחה"צ למזכיר שולץ. על אף מאמצינו לא הצלחנו לעצור אותו. אקרמן טען כי פועל בצורה אחראית ולא יביא לפרסום כלשהו. עוזריו ציינו כי החובה להמנע מפרסום חייבת לחול גם על הצד הישראלי. בהקשר זה ציינו כי תמונות החיילים הפלאשים בניוורויק בוודאי סותרות את טענתנו למירב השתיקה בנידון.
3. יצויין כי חלק מהמורשים השחורים הצטרף ליוזמות הנ"ל. ביניהם אני מציין את הידידים לילנד, ביל גראי (יו"ר ועדת החקציב) וגם ופנתנגד המובהק שולטר פאונטרו.

Congress of the United States
House of Representatives
Washington, D.C. 20515
January 9, 1985

Dear Colleague:

We are writing to ask for your signature on a letter to Secretary of State George Schultz concerning the Israeli airlift of Ethiopian Jews or Falashas.

Because Sudan will no longer assist in the airlift, the Falashas who remain in Ethiopia or Sudanese refugee camps are in danger of perishing if help doesn't reach them soon. Unless an Arab nation will help to start the airlift again, families will remain separated, and the Falashas who are left behind will be doomed to malnutrition and harassment from the Ethiopian regime.

The nation who could play a crucial role in resuming the airlift is Egypt, and our letter to Secretary Schultz asks him to convey our hope Egypt will help in the evacuation. The letter is timely because President Mubarak will be coming to Washington in a few weeks, and the Department of State is preparing for the trip.

On January 7, William Safire wrote a column in the New York Times suggesting this kind of initiative and that article is on the reverse side of this letter. If you would like to sign the letter to Secretary Schultz please contact Russ Worden at 5-4811 or Dora 5-3816.

RON WYDEN
Member of Congress

Sincerely,

MICKEY LELAND
Member of Congress

The text of the letter to Secretary Schultz follows:

Dear Mr. Secretary:

Every American has been touched by the tragic events in Ethiopia and heartened by the efforts of Israel to evacuate large numbers of Ethiopian Jews, or Falashas, to Israel. The recent revelation of Israel's airlift and Sudan's decision to end its assistance jeopardizes the lives of those people who remain in Ethiopia and Sudanese refugee camps.

Because Sudan will no longer assist Israel in the airlift, we believe the country ideally suited to provide the assistance, either covert or overt, is Egypt. Egypt's proximity to the Sudanese refugee camps and Israel provides it with a pivotal location to continue the airlift.

We are writing to ask that you communicate to President Mubarak our hope that Egypt will see fit to assist in the rescue of the remaining Falashas from Ethiopia and the Sudanese refugee camps. As you prepare for President Mubarak's trip to the United States, we are asking that you convey this idea to the appropriate Egyptian officials, so that no time is wasted.

משיחה עם סוזן ג'ונסון (עוזרתו של מייק ארמקוסט).

1. עסקות נשק עסקת הנשק של חוסיין עם הסובייטים לא חרגה מעסקות בעבר ואין כאן הפנית. חוסיין מקווה לקבל עיקר הנשק מבריטניה וזאת כנראה במימון סעודי. לשאלתי השיבה שהסעודים מוכנים לממן עסקה מאירופה ולא מארה"ב מאחר ולהערכתם ייתכן וארה"ב בעצמה תממן עסקה בזמן שברור להם שהבריטים לא מסוגלים. תהיה עסקה עם ערב-הסעודית לנשק הגנתי. ברור להם שישראל רואה את מטילי הפצצות ל-F-15 כנשק שאינו הגנתי, אך טרם סוכמו פרטי החבילה שתאושר לסעודים. ברור שזה לא יכול את כל הפריטים שהסעודים בקשו וזה גם ברור לסעודים. מגמת הממשל להציע עסקה אשר ישראל תוכל להשלים איתה.

2. עיראק-איראן להבדיל מגישת ישראל אין ארה"ב מעוניינת בהמשך המלחמה. בעבר היא עודדה מדינות אירופאיות למכור נשק לעיראק. עתה עם הגברת כוחו של צבא עיראק, ארה"ב פועלת בכיוון ההפוך ומנסה לשכנע מדינות אירופה להמנע ממכירת נשק לצד כלשהו. תחילה היו סבורים שעיראק תכונן במהירות יחסים עם מצרים אולם כנראה שעיראק לא תעשה זאת בהקדם. לדבריה ייתכן והיסוסי עיראק קשורים לאפשרות התקרבות לסוריה אף כי אין להם ידיעה על כך. בהקשר למלחמה סיפרה שטעוריה ממשיכה להיות זהירה ביותר ביחסיה עם איראן (העירה שנדהמו מעוזם הם בנושא הפלם המטוסים).

3. חוסיין ותהליך השלום להערכתם אין סיכוי להתקדמות עם חוסיין ואת פעילותו יש לראות בהקשר הבין-ערבי יותר מאשר צעד קונקרטי כלפי ישראל.

4. סיוע למצרים סיפרה שהמצרים לא טוענים לשוויון באשר לסיוע איתנו, אלא שאם מגדילים את הסיוע לישראל יש להגדיל גם את הסיוע למצרים, אף כי לא בהכרח באותה מידה. אין המצרים טוענים שיש הסכם פורמלי על כך אלא שזה "רוח קמפ-דיוויד".

Hatch Act's limitations on the political activity of federal employees was successful in the Carter years and is unlikely to be changed. Clay also worked hard with elements in the public administration's civil service reform act. As a result, he was elected as Udall, pro-labor Democrat William Ford, and a compromise despite Clay's efforts to scuttle the bill. On Post Office and Civil Service and the similar bill. But his power may not be commensurate with the chairmanship of the Labor-Management Relations Act. He had less seniority on the subcommittee but was able to be a stronger advocate of its position in the Senate. Republicans bent on changing important labor laws was revealed that he had been billing the government for a trip to the Philippines. Though he was actually purchasing less expensive travel, the difference was significant. The next year he was under investigation for falsification of pay records. In the Democratic primary. In 1976 and 1978, he received over 60% of the primary vote; in 1980, with the exception of the St. Louis area, he received a majority of the vote in the state but only barely. He seems to evoke considerable

in 1982. Missouri loses one congressional district and its boundaries entirely without regard to race or political considerations. It has only about three-quarters of the population to draw a new district with a new Missouri's population and many white legislators. To elect a black congressman who does not have to meet Clay's specifications will present some problems. The city will inevitably contain white voters. If the district lines are drawn too far from the city, white voters may be thrown into the same district with 2d district. Clay does not have a network of strong personal contacts and so the outcome of his 1982 race seems unclear.

SECOND DISTRICT

The 2d congressional district of Missouri is the heart of St. Louis County, a jurisdiction that is adjacent to, but includes no part of, the city of St. Louis. The county originally was set up so that its rural concerns would not be a drain on the treasury of booming St. Louis; now the city of St. Louis has about half the population and much less than half the wealth of the county. The 2d district runs the political gamut of suburbs. On its north side, north of Interstate 70, are blue collar communities such as Bellefontaine Neighbors, Jennings, Ferguson, Berkeley, and Hazelwood. Most of the people who live here grew up on the north side of St. Louis, which is now almost entirely black; many work in the giant McDonnell-Douglas aircraft plants located on the north side of the county. In the south end of the district are comfortable white collar, traditionally Republican suburbs such as Kirkwood and Webster Groves, now with some black population also, but nonetheless as Republican as ever. In the middle of the county, in University City and the towns to the west, Olivette and Creve Coeur, live most members of the Jewish community of metropolitan St. Louis. Just

faithfully sustained a Democratic tradition in the Little Dixie region, north of the Missouri River. The land here was settled early in the 18th century and Tennessee. During the Civil War some counties were on the Confederate side, and at least one county declared its neutrality. Since then, not much urbanization has come to the area. Mark Twain would probably recognize his native land here, were it not for the tourist traps that use Twain's name. This part of the state continues to be a rural area. It gave Jimmy Carter a majority in 1976 (Carter even carried a county here). The 9th district unto itself. Now, because of the one-person, one-vote rule, a bare majority of the residents of Missouri's 9th district is the northern reaches of the St. Louis metropolitan area. Republican St. Charles County and a northern chunk of St. Louis County are mainly blue collar and Democratic. Distinctive congressmen. For 40 years it was represented by a Republican. During his last year he and his Senate counterpart fought a monumental battle over which side of the Capitol building this battle of octogenarians held up the whole country. His successor was William Hungate, a peppery and one of the wittier members of the House Judiciary Committee. He got away from the hassles of Congress to the pleasure of his constituents. Years that the 9th district had a race without an incumbent. Leading the eleven-year-old race was Hannibal state legislator Harold Volkmer. It has been the end of it: a long congressional career. But Volkmer has had serious competition in 1980. Both times his opponents were based in the St. Louis area. The Democrat close to even there. But his big margin in the difference.

Volkmer could face more tough opposition in 1982, depending on the outcome of redistricting. What he would probably like is for the legislature to leave the boundaries of the 9th district alone—a possible outcome, since the district has gained population faster than the state average. But there will be a temptation to appropriate some of his Democratic precincts in St. Louis County to raise the population of the St. Louis-based districts that must expand. In that case, the best Volkmer could hope for would be the addition of Columbia to the district. A worse alternative, from his point of view, would be the addition of the St. Louis County suburbs now in the 8th district or the addition of the old German counties along the Missouri River—both areas heavily Republican.

He comes not from a blue collar neighborhood but from a blue collar neighborhood in the pipefitters' union and served 20 years in the pipefitters' union. That year he won a narrow victory over the incumbent. The ground and positions are classically crafted for a coalition: he is a strong union man, he opposes abortion, and he is a strong supporter of Israel. He works on Public Works and Transportation and Science and Technology. He moved to a district where McDonnell-Douglas is one of the major employers. He lost in the 1978 election but managed to increase his percentage of the vote. He may face greater problems in 1980. He lost a seat in the 1980 census, and Young could be thrown into the same district as either of the other two. THIRD DISTRICT

Missouri's 3d congressional district consists of the south side of the city of St. Louis and an adjacent portion of suburban St. Louis County. The line drawn through the middle of St. Louis to separate the 3d from the 1st district also neatly separates the black part of the city from the white. In the 1970s, blacks for the most part had been moving out from the north side of St. Louis to the suburbs nearby, leaving the south side of the city to whites. Here on the south side there are still signs of the German immigrants who made St. Louis one of the nation's bustling and progressive cities in the late 19th century; today, symbolically, an Altonheim (old people's home) still sits on the banks of the Mississippi River. The most famous of the St. Louis Germans was Carl Schurz, a friend of Lincoln, a Union Army officer in the Civil War, secretary of the Interior, and U.S. senator from Missouri.

SECOND DISTRICT

The 2d congressional district of Missouri is the heart of St. Louis County, a jurisdiction that is adjacent to, but includes no part of, the city of St. Louis. The county originally was set apart so that its rural concerns would not be a drain on the treasury of booming St. Louis; now the city of St. Louis has about half the population and much less than half the wealth of the county. The 2d district runs the political gamut of suburbs. On its north side, north of Interstate 70, are blue collar communities such as Bellefontaine Neighbors, Jennings, Ferguson, Berkeley, and Hazelwood. Most of the people who live here grew up on the north side of St. Louis, which is now almost entirely black; many work in the giant McDonnell-Douglas aircraft plants located on the north side of the county. In the south end of the district are comfortable white collar, traditionally Republican suburbs such as Kirkwood and Webster Groves, now with some black population also, but nonetheless as Republican as ever. In the middle of the county, in University City and the towns to the west, Olivette and Creve Coeur, live most members of the Jewish community of metropolitan St. Louis. Just

faithfully sustained a Democratic tradition is not the Little Dixie region, north of the Missouri River in Illinois. The land here was settled early in the 19th century and Tennessee. During the Civil War some went to the Confederate side, and at least one county declared itself seceded. Since then, not much urbanization has come to the area. Mark Twain would probably recognize his native land, were it not for the tourist traps that use Twain's name. It gave Jimmy Carter a majority in 1976 (although he never even carried a county here). The district unto itself. Now, because of the one-person, one-vote standard, a bare majority of the residents of Missouri's 9th district is the northern reaches of the St. Louis metropolitan area. It is a predominantly blue collar and Democratic district. For 40 years it was represented by a Republican congressman, and chairman of the House Judiciary Committee. During his last year he and his Senate counterpart fought a monumental battle over which side of the Capitol building this battle of octogenarians held up the whole country. His successor was William Hungate, a peppery and one of the wittier members of the House Judiciary Committee. He got away from the hassles of Congress to the pleasure of years that the 9th district had a race without an incumbent. Leading the eleven-year-old incumbent, 5% of the vote was Hannibal state legislator Harold Volkmer. But Volkmer has had serious competition since 1980. Both times his opponents were based in the St. Louis area. The Democrat close to even there. But his big margins made the difference.

Volkmer could face more tough opposition in 1982, depending on the outcome of redistricting. What he would probably like is for the legislature to leave the boundaries of the 9th district alone—a possible outcome, since the district has gained population faster than the state average. But there will be a temptation to appropriate some of his Democratic precincts in St. Louis County to raise the population of the St. Louis-based districts that must expand. In that case, the best Volkmer could hope for would be the addition of Columbia to the district. A worse alternative, from his point of view, would be the addition of the St. Louis County suburbs now in the 8th district or the addition of the old German counties along the Missouri River—both areas heavily Republican.

SECOND DISTRICT

The 2d congressional district of Missouri is the heart of St. Louis County, a jurisdiction that is adjacent to, but includes no part of, the city of St. Louis. The county originally was set up so that its rural concerns would not be a drain on the treasury of booming St. Louis; now the city of St. Louis has about half the population and much less than half the wealth of the county. The 2d district runs the political gamut of suburbs. On its north side, north of Interstate 70, are blue collar communities such as Bellefontaine Neighbors, Jennings, Ferguson, Berkeley, and Hazelwood. Most of the people who live here grew up on the north side of St. Louis, which is now almost entirely black; many work in the giant McDonnell-Douglas aircraft plants located on the north side of the county. In the south end of the district are comfortable white collar, traditionally Republican suburbs such as Kirkwood and Webster Groves, now with some black population also, but nonetheless as Republican as ever. In the middle of the county, in University City and the towns to the west, Olivette and Creve Coeur, live most members of the Jewish community of metropolitan St. Louis. Just

atch Act's limitations on the political action successful in the Carter years and is unlikely to also worked hard with elements in the Administration's civil service reform act. As s Udall, pro-labor Democrat William Ford, a compromise despite Clay's efforts to scuttle on Post Office and Civil Service and the similar. But his power may not be commensurate for the chairmanship of the Labor-Management. He had less seniority on the subcommittee but to be a stronger advocate of its position in w. Republicans bent on changing important labor laws was revealed that he had been billing the government he was actually purchasing less expensive difference. The next year he was under investigation was sent to jail for falsification of pay on in the Democratic primary. In 1976 and 1977 he received 60% of the primary vote; in 1980, with the race did he receive a majority of the vote in the primary only barely. He seems to evoke considerable

in 1982. Missouri loses one congressional district boundaries entirely without regard to race or political sentiment; it has only about three-quarters of the population to draw a new district with Missouri's population and many white legislators elect a black congressman who does not have up to Clay's specifications will present some problems or the city will inevitably contain white voters with white voters. If the district lines are drawn too far may be thrown into the same district with 2d district with strong labor ties and the ability to motivate. Clay does not have a network of strong personal and so the outcome of his 1982 race seems unclear.

faithfully sustained a Democratic tradition in the Little Dixie region, north of the Missouri River. The land here was settled early in the 19th century and Tennessee. During the Civil War some on the Confederate side, and at least one county declared its loyalty to the Union. Since then, not much urbanization has come to the area. Mark Twain would probably recognize his native land here, were it not for the tourist traps that use Twain's name. This part of the state continues to be rural. It gave Jimmy Carter a majority in 1976 (Carter even carried a county here). The 9th district unto itself. Now, because of the one-person, one-vote rule, a bare majority of the residents of Missouri's 9th district is the northern reaches of the St. Louis metropolitan area. It is the northern reaches of the St. Louis metropolitan area, a Republican St. Charles County and a northern chunk of St. Louis County. It is a blue collar and Democratic district. It has distinctive congressmen. For 40 years it was represented by a Republican, a parliamentarian of the House and chairman of the Judiciary Committee. During his last year he and his Senate counterpart fought a monumental battle over which side of the Capitol building this battle of octogenarians held up the whole House. His successor was William Hungate, a peppery attorney and one of the wittier members of the House Judiciary Committee. He got away from the hassles of Congress to the pleasure of his years that the 9th district had a race without an incumbent. He had a formidable competition for the seat. Leading the eleven challengers was Hannibal state legislator Harold L. Volkmer. It has been the end of it: a long congressional career. But Volkmer has had serious competition in 1980. Both times his opponents were based in the St. Louis area. The Democrat close to even there. But his big margin was the difference.

Volkmer could face more tough opposition in 1982, depending on the outcome of redistricting. What he would probably like is for the legislature to leave the boundaries of the 9th district alone—a possible outcome, since the district has gained population faster than the state average. But there will be a temptation to appropriate some of his Democratic precincts in St. Louis County to raise the population of the St. Louis-based districts that must expand. In that case, the best Volkmer could hope for would be the addition of Columbia to the district. A worse alternative, from his point of view, would be the addition of the St. Louis County suburbs now in the 8th district or the addition of the old German counties along the Missouri River—both areas heavily Republican.

Census Data Pop. (1980 final) 553,948, up 18% in 1970s. Median family income, 1970, \$9,573, 100% of U.S. average.

THIRD DISTRICT

Missouri's 3d congressional district consists of the south side of the city of St. Louis and an adjacent portion of suburban St. Louis County. The line drawn through the middle of St. Louis to separate the 3d from the 1st district also neatly separates the black part of the city from the white. In the 1970s, blacks for the most part had been moving out from the north side of St. Louis to the suburbs nearby, leaving the south side of the city to whites. Here on the south side there are still signs of the German immigrants who made St. Louis one of the nation's bustling and progressive cities in the late 19th century; today, symbolically, an Altonheim (old people's home) still sits on the banks of the Mississippi River. The most famous of the St. Louis Germans was Carl Schurz, a friend of Lincoln, a Union Army officer in the Civil War, secretary of the Interior, and U.S. senator from Missouri.

The only parts of the metropolitan area where the suburbs are high income, but not as prestigious; and they have been very heavily Republican. Democrats no longer take significant margins in statewide elections.

The 2d district produces results that are often very different from the few other parts of Missouri resemble it most closely in the St. Louis area and thus are natural strongholds for congressmen here have run for the Senate and House of Representatives. Democrat James Symington in 1976.

Young may be in a different situation. He comes not from a blue collar neighborhood but from a blue collar neighborhood in the pipefitters' union and served 20 years in the union. That year he won a narrow victory over a Republican opponent and positions are classically crafted for a coalition: he is a strong union man, he appeals to the working class, and he is a strong supporter of Israel. He works in Public Works and Transportation and Science and Technology. He is in a district where McDonnell-Douglas is one of the major employers.

Young lost in the 1978 election but managed to increase his percentage of the vote. He may face greater problems in 1980. He could be thrown into the same district as either of the other two members of the Missouri delegation. VIN WEBER, המורשה

המשלחת שהתה בארץ בין התאריכים 13, 18, 6-6, נפגשה ושוחחה עם האישנים הבאים:

רוה"מ (10.1)

סקר את הפעילות בנושא יהודי אתיופיה, ציין את עזרת ממארה"ב בנושא.

מבצע ההצלה נמשך, אמר שהערבים, אשימו האתיופים

במתן האישור ליציאת היהודים מארצם במקום "לתת להם למות".

ובר שאל את רוה"מ על נושא סיוע החוץ של ארה"ב לישראל, וכן בכל הקשור לכלכלת ישראל -

המשך עסקת החבילה והקיצוץ בהוצאות הממשלה. רוה"מ סקר הבעיות הקשורות בכלכלת ישראל וציין

שבנקטו צעדים להבראתה וציין את הצלחת עסקת החבילה - שיפור ביצוא, ירידה בצריכה הפרטית

וירידה משמעותית באינפלציה. אמר שלדעתו תהיה עסקת חבילה ב' וצעדים נוספים להביא להבראת

המשק על בסיס פשרה שתושג בין שלוש הגורמים העקריים ב: המסכמים ביניהם בצורך בהורדת

רמת החיים, קיצוץ בתקציב ועליה ביצוא, הבקיטה באמצעים דרסטיים אינה מקובלת עליו והוא

תומך בהסכמה כללית ובצעדים הדרגתיים.

בנושא הסיוע ציין שהסיוע הצבאי בחוץ לישראל אל מול התחזקות העולם הערבי הנתמך על ידי

ברו"מ, וכן, שסכומי הסיוע מועברים כולם להחזר חובות ורכישת נשק. ציין שכמחצית מהתקציב

הלאומי מועבר להחזר חובות ואלמלא עובדה זו היינו מסתכנים.

ציין את 3 הנושאים בהם ההוצאה היא אף מעבר לתקציב השוטף: מלחמת דנה"כ, מחיר השלום עם

מצרים ומלחמת לבנון המסתכמים בכ-20 מיליארד דולר. ציין ישראל מבקשת להגיע להבראה כלכלית

על חשבון החלשות צבאית.

הוסיף שהקונגרס מודע לכך שהעזרה לישראל לא תהיה קטנה מתחום של ישראל בשנה בתנוה

והזכיר ההצעות המובנות לפני הקונגרס ביחס לצורת הסיוע - מחיקת חובות (אין ישראל תומכת

בה) וכן ההצעה על קיצוץ אחוזי הריבית מרמתן של 15-11 אחוזים ל-5 אחוזים - דבר המקביל

לסיוע של 500 מיליון דולר. (הצב מל"מ)

ציין שסדר אכן יעשה בכלכלת ישראל על מנת שבעתיד לא תהיה תלויה כ"כ בארה"ב.

ידודותה של זו יקרה לישראל. ציין שבנושא לבנון צפויה החלטה חשובה.

ממרה"מ ושה"ח 11.1

הועלו נושאי כלכלה וביטחון. שה"ח סקר המצב באזור וציין דאגת ישראל מההתחמשות סוריה על

ידי ברו"מ, הגדיר השלום עם מצרים כפורמלי לא נורמליזציה מלאה.

הדגיש הקשר של ישראל לשטחי יהודה ושומרון ואמר בתשובה לשאלה שלעולם לא יוחזרו.

ישראל, אמר, לא תנהל מו"מ עם אש"פ שמטרתו להשמיד את ישראל, הדגיש מחויבות ישראל

להסכמי ק.ד. הגביר את 140 "איש גדול".

בנושא כלכלה: ממשלת האחדות הוקמה לטפל בנושא הכלכלי ובנושא לבנון וציין השגי

הממשלה הקודמת בראשותו בשטח זה. ציין לקצץ כיום בתקציב הביטחון רק כמיליון דולר ולא

יותר כי קימת סכנה לביטחון ישראל. אך זהו קיצוץ בתקציבים אחרים, על ישראל להשאר

חזקה, אמר, ועובדה היא שגם לאחר חתימת הסכם השלום עם מצרים בתאמנת זו כאילו עדיין האויב

הוא ישראל. ציין את: מאמרי השטנה האנטישמיים בעתונות מצרים כנגד ישראל.

הוסיף שנושא האבטלה חשוב ומהווה בעיה בדרך להבראת הכלכלה, ציין ' בתשובה לשאלה שקימים מגעים לא פורמליים וסודיים עם מדינות ערביות. המשנה למנכ"ל (10.1)

נשאל על נושאי האוטונומיה, תוכנית ריגן, והסכמי ק.ד. ציין שמצרים 'ברחה' מהתחייבותה לשמש כדובר לעמים ערבים בזמן שאלה אינם באים לשולחן המו"מ על האוטונומיה והשלום. סקר את תוכנית האוטונומיה. מאז הפסיקה מצרים את השיחות בנושא (נובמבר 82) שום דבר לא קרה.

מה שכבר סוכם במסגרת השיחות על האוטונומיה הוא ש"ל הבחירות כמו גם הקונספציה בקשר למה שיועבר לסמכות הממשל העצמי, ציין את אמונתו בתוכנית האוטונומיה כדבר הטוב ביותר הקיים ברע בקשר לפתרון הסכסוך והמבוסס על העקרון של אי קביעה מראש של צורת ומהות הפתרונות הסופיים. ביחס לתוכנית ריגן, ציין שזו בגדת העקרון של אי קביעה מראש ולפתרון. יש צורך בתקופת מעבר ליצירת תנאים חדשים שאליהם יוכלו אנשים להתרגל ולא קל מאד הפתרונות.

נשאל ביחס לרכישת אדמות ביהודה ושומרון (ברב בייקר). פרט את 2 סוגי האדמות הקיימים בשטח (מדינה ואדמה פרטית), ציין היעדר אמצעים להציל את האדמות. נשאל ביחס לבחירות ביהודה ושומרון (אקר) מסר הרקע למערכת הבחירות הקודמות לעיריות ערביות לעומת תקופת שלטון ירדן וציין שכיום מוחלפים קציני צהל יימדר בראש מספר ערים ערביות בראשי ערים ערבים.

בראון ציין שיהיו בחירות חדשות לעיריות בשטחים אך לא ציין תאריך. המשלחת נפגשה בבוקר עם פרג' ולכן נשאל הגן לדעתו על האיש. השיב שהוא נחשב מתון ויוצא דופן בקרב ראשי הערים באזור, בעל עמדה והשפעה ובעל זכות להעביר מסרים אל ומאת הירדנים, שהוא עומד לבקרם בעוד כשבוע.

בראון נשאל גם על מערכת הקשרים הדיפלומטים של ישראל בעולם - על כך שכ ביכול ישראל מבודדת. נשאל בעקר ביחס ליון וספרד (ברוס ראוי). השיב ספציפית על שתי דוגמאות אלה. ציין את חידוש היחסים עם מדינות באפריקה. נשאל ביחס למערכת היחסים עם דרא"פ והשיב שבר"מ היא זו שהמציאה הקשר "פרטוריה - ת"א" ומפעילה אותה באפקטיביות. אמר שיחסי ישראל דרא"פ פחות קרובים מאלו של ארה"ב, מערכת הקשר המסחרי של ישראל עם דרא"פ היא 0.8% מכלל הסחר העולמי עם דרא"פ, ציין שהקשר עם דרא"פ אכן מפריע לחידוש היחסים עם מדינות אפריקה בעקר עם ניגריה.

נשאל על טאבה - בראון השיב שמנסים להפוך נושא טאבה לדגל בזמן שמדובר בסכסוך גבולות רגיל בין 2 מדינות שיכול להפתר על בסיס תהליך ידוע (בחר ופשוט). אך הבעיה היא מעבר לכך - כל מערכת היחסים עם מצרים. מצרים מבקשת לחדש את הקרדיט שלה בעולם הערבי והבלתי-מזדהה ומשלמת לו בפרנסות (כגון טאבה), אם חוסיין רוצה באמת להכנס למו"מ ימצא את מישראל מוכנה. חוסיין מוכן להצ"ן אך הדברים הם מעבר לשליטתו.

גם לבנון רוצה לדון אך נמצאת תחת השפעת סוריה והראיה - ביטול הסכם ה-17.5 שהיה הסכם טוב. נפגשה עם אלי הורוביץ (7.1). הראו התענינות רבה בנושאי הכלכלה. נתן להם להבין שיש שיפור בכלכלת ישראל. נשאל על ידי ובר: 'מה לומר לאנשי ממשל בארה"ב שאנו נפגש עמם ביחס לצעדי ההבראת המשק הישראלי? (זו שאלה שחזרה כמוטו בכל הפגישות). הורוביץ השיב שקיצוץ בהוצאות הממשלה - זהו הבסיס. דבר גם על הקיצוצים שנעשו בפועל ועל כך שיעשו בעתיד. ציין את מעורבות רוח"מ בנושאי הכלכלה. התרשמו מאד מהאיש ומהסבריו.

באותו היום נפגשו עם עולים מברה"מ במרכז קליטה ברעננה. קבלו הסברים מיעקב ינאי וכן שמעו עדויות חיות מפי 2 עולים חדשים שקרוביהם בברה"מ זמן רב ואינם מורשים לצאת לישראל. הפגישה היתה מרגשת מאוד, וובר הבטיח לעשות כל שביכולתם למען יציאת היהודים מברה"מ. קבלו סקירה על הפעילות למיקוד תשומת הלב על הנושא ברחבי העולם, פרופ' פרימון עולה חדש ספר להם תלואותיו עד שעלה לישראל, ובקש שענין היהודים יועלה בכל מו"מ מסחרי ואחר עם ברה"מ. בוב בייקר ציין ששינה קב' גדולה של אנשי קונגרס המעלים והלו והלוחצים על הממשל להעלות הנושא בכל מפגש עם ברה"מ.

ב-10 דגא נפגשה המשלחת עם פרג', ציין באוזניהם את בעית ההתנחלויות, את חוסר הקשר בין המתנחלים לשכניהם הערבים, את הפקעת האדמות ללא פיצוי. ציין שקבלו 8 מיליון דולר סיוע מארה"ב אך אושרו להם לשימוש רק 3 מליון. הביע תמיכתו בתוכנית רייגן, הביע בטחונו שיהודה ושומרון יסופחו לישראל והערבים יהיו בבחינת אזרחים מדרגה ב'. דבר על אש"פ כנציגי העליון והלגיטימי של העם הפלסטיני, אך הדגיש שהערבים והיהודים גועדו לגור יחדיו בארץ המשותפת להם ולכן, יש צורך בפתרון הסכסוך אחרת ימשך מעגל הסכסוך. שיבח את סאדאת, קרטו והסכמי ק.ד., מקווה שיהיה הסכם שיאפשר כניסת ירדן למו"מ על בסיס הצעות ישראל ור"פ בין ירדן למצרים.

נשאל על המחווה שעשה רוח"מ בבקרו בערב חג המולד בבית לחם - אמר שמעריך המחווה אך לעצרו לא געשה כלום בהמשך לה, ולא נאמרו לו דברים ממשים בפגישה. לא הכחיש שפל שיפור בתנאי החיים של הערבים באזור. הזכיר את ספרו של מירון בנבנישתי כעובדה לכך שישראל לא תחזיר השטח לעולם וקביעת עובדות על ידה. התרשמו מכך ובקשו עותק מהספר אך לא קבלו. יתכן שבוושינגטון ינסו להשיגו. בסה"כ התרשמו ממנו כאיש מתון, אך בעל עמדה חד צדדית בפגישה נכח גם נציג הקונסוליה האמריקאית בירושלים לורנס מאייר, שהשתתף גם בביקור בעופרה וניסה ל"אזן התמונה. במהלך הנסיעה לעופרה נשאל מאייר על ידי המורשה וובר על מערכת היחסים הרעועה בין השג' בת"א לבין הקונסוליה בירושלים. מאייר הכ-יש אך בקש לדעת מהיכן יודע וובר על כך (ובכך אשר למעשה את שידע וובר...). האש"פ נפגשו גם עם עדי אמוראי ושוחחו בנושאי כלכלה. עם דן מרידור לא"צ בכנסת ושוחחו בנושאי בטחון והשלום, ולא"ב עם פרופ' ברונו שסקר בפניהם המערכת הכלכלית של ישראל ואת דעותיו ביחס לפתרון המשבר בכלכלה. ממנו בקשו שמות של פרופסורים אמריקאים בארה"ב המכירים את כלכלת ישראל. המלצתי שיפגשו עם דן הלפרין. דווח על פגישתם עם וויצמן בנפרד.

SEVENTH DISTRICT

The 7th congressional district of Minnesota occupies the northwest quadrant of the state. This is the most sparsely populated part of Minnesota, with 32% of the state's land area but only 12% of its people. Along the Red River of the North, just next to North Dakota, are vast wheat fields; to the east are acres of lakes, forest, and occasional resort communities. This is the country of the legendary Paul Bunyan and his blue ox Babe, whose statues stand together in Bemidji, a small town on the shores of one of Minnesota's 10,000 lakes. Not far away is Lake Itasca, the headwater of the Mississippi River.

The district was first settled by hardy Swedish and Norwegian lumberjacks and farmers. The Republican stronghold is heavily Norwegian Otter Tail County, near the southern end of the district; the strongest DFL territory is at the edges of the district, in the counties nearest Minneapolis and St. Paul. The northern counties, which were Farmer-Labor Party strongholds in the 1930s, used to be heavily DFL but have been trending Republican in the late 1970s.

The 7th has had a rather colorful political history. It made national headlines in 1958 when Coya Knutson was the DFL congresswoman here; her husband Andy issued a plaintive statement urging her to come home and, among other things, make his breakfast again. Apparently many voters considered the request reasonable; Knutson was the only Democratic incumbent to lose in the heavily Democratic year of 1958. The man who beat her, an ultraconservative Republican, never demonstrated much popularity, and was finally beaten by DFL candidate Bob Bergland in 1970. Bergland became extremely popular, and made enough of a mark on the Agriculture Committee to be appointed secretary of Agriculture by President Carter.

So in February 1977 there was a s Bergland and Mondale staffer; the Redinavian descent, Arlan Stangeland, turned out to be probably the most conservative district has traditionally been close in 1978 and did not go for the Carter-Mondale of the legislature, Gene Wenstrom elections. He has criticized Stangeland Agriculture Committee. The incumbent and 1980. Those are not good signs for e.g., the unpopularity of the Carter expect a close race in this district a

Dear Mr. Prime Minister:

Thank you very much for the time you set aside on January 10 to meet with me and the other members of my delegation. I realize the great demands on your time and, thus, both my wife and I were especially appreciative of the photo opportunity you afforded us after the meeting.

My first trip to Israel could not have been better. I learned a lot and, equally important, I had a very good time. I met lots of fascinating people whom I hope to stay in contact with. I hope to return soon.

Again, thank you for your hospitality.

Dear Mr. Peres:

I would like to take this opportunity to thank you for making my recent trip to Israel so memorable.

Since Congressman Gilman has now become the Ranking Member of the Subcommittee on Europe and Middle-East the trip was an important step for me to gain greater insights into the problems faced in Israel.

One week was just not long enough! Five minutes here, an hour there, only whetted my appetite to return.

Thank you again and if I can be of any assistance to you in the future please do not hesitate to contact me.

Sincerely,

הרקע הכללי

בריה"מ הבינה שהטקטיקה שלה בנושא פרוק הנשק עד לאחרונה היתה מוטעית - שלש הנחות בסיסיות שלהם הוכחו כמוטעות. הצבת הטילים ארוכי הטווח וה-SS-20. הנחתם שיוכלו בדרך המניפולציה של תנועות השלום באירופה לקומם את אירופה נגד ארה"ב ומחשבתם שיציאתם מהשיחות על פרוק הנשק תגרום לדומטיזציה של המצב. כאשר הבינו שהעניין לא עובד הרגשנו אצלם התלבטויות. התלבטויות אלה הביאו אותם להציע את וינה והדיונים על הנשק בחלל. כוונתם - להגביל השיחות לנושא זה - לא היתה מקובלת כמובן. הסובייטים חשבו שרייגן ירצה כחלק ממערכת הבחירות שלו להפגין התקדמות ותנועה וגם כן שגו.

חשובה זאת של ארה"ב שכנעה אותם סופית בכשלון הטקטיקה שלהם. לאחר הבחרו מחדש של רייגן ובגלל התנאי המוקדם שהציבו קודם לכן - הסרת הטילים מאירופה - באו הסובייטים עם טקטיקה חדשה של New Negotiations וזה מה שראינו עתה בג'נבה - התחלה חדשה. במשולב ובמקביל החליטו הסובייטים החלטה טקטית לבחון כמה רחוק יוכלו ללכת ביחסים עם ארה"ב ולא רק בעניין פרוק הנשק. הנה בימים אלה מתקיימות שיחות כלכליות במוסקבה. שמענו מהסובייטים תגובות על הצעות שלנו בנושאים אזוריים כמו למשל אפריקה והמזה"ת בזמנו הצענו להם שהמזכיר ומרפי יפגשו עם עמיתיהם ועם דוברינרין לדבר על המזה"ת, עד עתה לא הגיבו. ביום ו' האחרון (לפני ג'נבה) באו לראותני והגיבו בחיוב אם כי באו עם תכנית משלהם - שמרפי ילך למוסקבה להפגש עם ה-Opposite Number שלו - פוליאקוב. ארה"ב לא תלך על האופציה הזאת.

בעניין אחר - מוכנים עתה הסובייטים לשבת עמנו לשוחח על אצמעי בטחון לתעופה באזור הפסיפי - ארה"ב דרשה זאת בעקבות אסון המטוס הקוריאני ורק עתה השיבו שהם מוכנים לשבת אתנו.

פלמר ציין גם את האוירה הטובה בשיחות ה-NPT החצי שנחיות.

יין פה ספק שהסובייטים החליטו לזוז לקראתנו בחזית רחבה ומקוים שתחול אצלם תזוזה גם בעניין הקונסוליה בקייב (האמריקאים קושרים עניין הקונסוליה בחדוש טיסות אירופלוט).

פאלמר שאל לדעת הממנכ"ל לגבי פתיחת הקונסוליה בקייב ושקלים הסכימו לחלוטין לגבי תפקידה ומשמעותה של קונסוליה כזאת.

התזוזה הזאת של הסובייטים צבעה מהבנתם שטקטיקת הבדוד שלהם לא תעבוד יותר לאחר שראו את הבחרו מחדש של רייגן. גם כיום מעוניינים הסובייטים יותר במניפולציות ולא בתוצאות ממשיות. בנקודת זמן מסוימת בשיחות היה גרומיקו מוכן לעזוב השיחות בלי השג כלשהו.

הסובייטים עדיין מקוים שהקונגרס, החוגים הליברלים והמצב הכלכלי יכריחו את ארה"ב לעשות משהו בכוון שלהם ולכן לא שינו את האסטרטגיה הכוללת שלהם.

פאלמר העיר שהרוסים overestimate יכולתם להמשיך במניפולציה של דעת הקהל. כקוריוז הביא ספור על מסיבת עיתונאים עם הסובייטים שכאשר דוברם השיב בתגובה על שאלה שכל עניין ה-SS-20 אינו קיים כלל החלו העיתונאים לעזוב האולם.

הסובייטים לא שנו דבר מהרגליהם. ממשיכים ב-deployment. מצב זכויות האדם לא נשתנה והם ממשיכים לבחוש בסכסוכים אזוריים. אין מקום בעולם שאפשר להצביע עליו כעל מאפיין שינוי בהתנהגותם.

עיקר השינוי עתה הוא שנוי של סגנון ושל טון אך בהחלט לא של תוכן. פלמר סיפר שבשיחה עם אחד מעמיתיו הסובייטים ניתן היה לעמוד על הבעיה הכלכלית הכספית המטרידה אותם מאד ועל סכומי הכסף האדירים שיצטרכו להוציא אם לא יגיעו להסכם כלשהו.

מהלך השיחות

בבוקר של יום הדיונים הראשון פתח מזכיר המדינה שולץ בהצגה ארוכה של ראייתו (הזהה לראות הנשיא) את העולם האסטרטגי בעשור השנים הקרוב: מטרתה של ארה"ב היא לראות הפחתה משמעותית (Radical reduction) של כל סוגי הנשק הגרעיני ביבשה בים ובחלל. העשור הקרוב צריך לשמש תקופת מעבר שתוביל, בסופו של ענין לחסול כל כלי הנשק הגרעיניים. המטרה הסופית של ארה"ב היא לחיות בעולם חופשי מנשק גרעיני. הגישה האמריקאית, המיועדת להשגת המטרה גורסת שככל שנעים לעבר מערכות הגנתיות ניתן לצמצם את המערכות ההתקפיות. (תפישה זו אינה מקובלת על הסובייטים הגורסים את הפיכה כנראה מחששם שהתקדמותה הטכנולוגית של ארה"ב מהירה משלהם).

שולץ דבר לאחר מכן על חוסר היציבות בעולם היום. מערכת הטילים הבליסטיים הביניבשתיים של ארה"ב הופכת אותה ל-Vulnerable למכת פתע (First Strike) מצד הסובייטים ואם יהיה משבר פוליטי רציני הרי שהתמריצים היום To go nuclear חזקים מאוד ואת זה בדיוק צריך למנוע.

מדיניותה של ארה"ב, אמר המזכיר היא שלום של הפחתה משמעותית בסוגי הנשק הגרעיני ההתקפי יחד עם פתוח יכולת ההגנה.

המזכיר אמר שהסובייטים אינם במצב שיכולים לטעון כלפי ארה"ב שתכניות ההגנה שלה הם גורם מערער יציבות באשר אצלם הם כבר עברו את שלב המחקר וגם מציבים מערכות כאלה. מערכות ההגנה האווירית של ברה"מ מדאיגות את ארה"ב באשר הם מקנים לסובייטים את היכולת לנצלם לצורך שמירה על השגים טריטוריאליים.

המזכיר הציג את עמדת ארה"ב שיש צורך לקיים דיונים בשלשה פורומים שידונו בנשק האסטרטגי בטילים לטווח בינוני ובנושא כלי נשק הגנתיים ונושא החלל (DEFENSIVE ARMS&SPACE ISSUES) (עיקר הויכוח עם הסובייטים התנהל סביב לפורום האחרון, הם ניסו לעמוד על הורדת האלמנט של כלי נשק הגנתיים ולהסתפק בדיון בנושאי חלל).

לאחר הצגתו של שולץ, הציג גרומיקו את עמדתם. הצגתו היתה רצינית, שקולה ונעדרה סממנים של היסטריה ודיפיקות על השולחן. הצגתו תאמה את מה שציפתה ארה"ב (הנוסח היה דומה לזה שממכתבו של צ'רנוניקו לקבוצת אנשי כמורה בארה"ב)

המרכיבים בהצגתו היו:

א. הצורך במניעת מליטריזציה של החלל.

ב. הצורך לאסור לחלוטין כל כלי נשק בתקפיים מהחלל.

ג. הצגת היכולת האופנסיבית של ארה"ב כמקנה לה האפשרות להשיג את המכה הראשונה.

ד. גרומיקו אמר כי ארצו מוכנה להפחתה משמעותית בפיתוח הנשק הגרעיני והזכיר את טילי השיוט, הטילים הבליסטיים: הבין-יבשתיים המפציצים האסטרטגיים ומערכות נשק חדשות.

פלמר העיר כי ההצעה המעשית שלהם היתה של הקפאה ולא של הפחתה בנוסח ההצעות הקודמות שלהם.

ה. לפי הצמדה המסורתית של ברה"מ אמר גרומיקו כי הדיון על הטילים לטווח בינוני צריך לכלול גם את ארסנל הנשק הבריטי והצרפתי.

ו. אם ארה"ב תעצור את הצבת טיליה במערב אירופה תהיה מוכנה ברה"מ להפסקת את צעדי הנגד שלה (Counter Measures).

הרגשתו של פלמר שבמשתמע ניתן היה להבין שברה"מ תהיה מוכנה להשלים עם קיום מספר טילים באירופה ואם אכן כן הדבר מהווה הדברי שנוי של עמדתם.

בהמשך הצגתו קשר גרומיקו את הטפול בכל המרכיבים כחבילה אחת והתנה את הסכמתם לדיון בכך שתהיינה הגבלות על השמוש בנשק חלל. גרומיקו אמר כי כל הנושאים קשורים זה בזה.

המזכיר שולץ השיב שארה"ב מבינה היטב את הקשר ובאמת רוצה דיאלוג לגבי הקשר הזה בין מערכות הגנתיות והתקפיות אך יש לארה"ב בעיה להבין מדוע ההתקדמות בדיון בנושא אחד מותנית בנושא האחר.

כל יתר שלוש הפגישות לאחר מכן הוקדשו למעשה לנסוח ההודעה המשותפת. המוצר הסופי מסתיר חזכו הרבה מאוד הבדלים בגישה ובתפיסה.

פלמר אמר כי חוויתו האישית הגדולה ביותר היתה העבודה בתוך הצוות האמריקאי פנימה כאשר בפעם הראשונה מזה שנים הצליח צוות זה על אף חלוקי דעות והתפישות המנוגדות להציג בסופו של עניין עמדה אחידה ומתואמת וכי כולם יצאו בסופו של דבר מרוצים מן התרגיל.

האנליזה הכללית בשיחות היתה טובה מאוד, למרות ששולץ לא אוהב את גרומיקו ודוברינין שולץ בניגוד לקודמיו, אינו חש בנוח בחברתם.

נושאים אחרים לא עלו בגלל התנגדותם של הסובייטים. בנקודת זמן מסוימת הציעו האמריקאים קיום מפגש בארוחת צהרים שתוקדש לעניינים אחרים אך הסובייטים סרבו בעקביות. עד כאן.

פלמר סיפר כי לפני השיחות בג'נבה היו לו שתי פגישות עם שבצ'קנו (איש האו"ם שערך למערב) וזה אמר לו כי אם כי נכון שברמות הגבוהות בקרלמלין יש הרבה אנטישמיות הרי שגרומיקו שונה מהם ואם היה מצליח TO HAVE HIS WAY הרי שיכול להיות שהיו מחדשים את הקשרים עם ישראל. גרומיקו גם טורח בכל הזדמנות להזכיר את תרומתו החשובה להקמתה של מדינת ישראל.

סודי ביותר

פלמר סיפר כי עם תום השיחות בג'נבה יצאו המשתתפים לתדרך את בנות הברית של ארה"ב ברחבי העולם - מקרליין יצא ללונדון ופריס, פול ניצה - לבירות אירופאיות אחרות, מטלוק - לקנדה, גנרל צייך - לאוסטרליה וניו-זילנד ודיק ברט - לטוקיו דיק פרל חזר לווינגטון בגלל בעיות משפחתיות.

השגריר.

שיחת שה"ח-פלמר.

סגן עוזר מזכיר המדינה מרק פאלמר דווח הערב (9.1) לשה"ח על שיחות ג'נבה. נלווה אליו בנג'מין טואה מהשגרירות.

פלמר פתח בתיאור מחויבותו של שולץ לנושא יהדות ברה"מ ואמר כי המזכיר Feels strongly זמעלה את הנושא בכל הזדמנות עם גרומיקו.

בשיחות ג'נבה אמר שולץ ביום הראשון כי גם אם אין השיחות מוקדשות לנושא זכויות האדם הוא מעלה אותו. גרומיקו אמר שגעתו של המזכיר מוכרת לו וסרב להתייחס לנושא.

ביום השני בשיחה פרטית בין השניים העלה שולץ הנושא באריכות והביע את אכזבת ארה"ב מההתדרדרות המצב ומחוסר התגובה הסובייטי להצעה להקים ערוץ הידברות בין שגריר ארה"ב הרטמן וסגנו של גרומיקו (קרניינקו). הסובייטי לא הגיב.

שולץ העלה את המקרים של שצרנסקי, גיגון ואורלוב והרחיב בשאלת ההתנכלות להוראת השפה העברית ולמוריה באמרו שזאת התקפה על תרבות דבר שאינו מקובל על ארה"ב ועומד בסתירה להתחייבות בינלאומית. שולץ הביע זעמו על המשפטים הנערכים והביע דאגה לגורלו של קומינסקי העומד בפני משפטו.

שולץ, אליבא דפלמר, קשר נמרצות בין נושא זכויות האדם וההתקדמות ביחסים הבילטרליים ואמר כי אין לנתק בין השניים.

מזכיר המדינה הביע שמחתו על תגובתם החיובית של הסובייטים להצעה האמריקאית לקיום שיחות על נושא המז"ח. עד לאחרונה לא רצו הסובייטים להתייחס ועתה אמרו שמוכנים לכך בדרג של מרפי ופליאקוב בשיחות במוסקבה. התגובה, שלא נמסרה עדיין, של ארה"ב תהיה שלא יסכימו לבוא למוסקבה. הם מוכנים לשיחות בדרג של מרפי אך עומדים על כך שיתקמו בווישינגטון. פלמר אמר כי הם מודעים לדאגתה של ישראל מפני מהלכים כאלה והבטיח לשמור אותנו בתמונה דרך שגרירותנו בווישינגטון. להערכתו הוא תהינה שיחות אלה Sterile exercise. ארה"ב תאמר לסובייטים שהם צריכים להיות מתונים יותר ושעליהם לעודד מדינות ערביות לאת אתנו ישירות. מכל מקום הוא אינו צופה שום Coming together של שתי המעצמות בנושא.

(אנא לא ראה לא ג'נבה בפרט)

ולשיחות על פירוק הנשק.

ההתרשמות האמריקאית היא שהסובייטים הגיעו למסקנה שעשו טעויות רבות בכל הגישה שלהם לנושא פירוק הנשק. טעות רצינית אחת היתה הערכתם שארה"ב תקבל הצבת טילי ה-20-55 ללא תגובה.

טעות שניה היתה הנחתם שיוכלו לתמרן את האירופאים נגד ארה"ב בין היתר באמצעות בחישתם בתנועות השלום האירופאיות וטעות שלישית ההנחה שלהם שיציאתם משיחות פרוק הנשק תצור אפקט דרמטי בארה"ב. לאחר שלא הצליחו באירופה הבינו בקיץ שיש להם צורך בטקטיקה חדשה והציעו לארה"ב את שיחות וינה לדיון בנשק החלל. הערכתם היתה שהנשיא רייגן ירצה להפגין לפני הבחירות תנועה חיובית ביחסי שתי המעצמות אך ארה"ב סירבה לצמצם הדיון רק לנושאי חלל וביקשה לשוחח על כל הנושאים. ברה"מ סירבה.

בבואם של הסובייטים לג'נבה הם וויתרו על שני תנאים חשובים שלהם האחד - הסגת הטילים האמריקאים מאירופה לפני התחלת השיחות והאחר - דרישה לפירוז החלל מנשק.

הרגשתו של המזכיר היא שארה"ב יצאה מחוזקת מן השיחות היום ובמו"מ עליו הוסכם בג'נבה יועלו לדיון כל הנושאים בשלוש מסגרות: כלי נשק אסטרטגיים, הטילים לטווח בינוני ונושאי החלל. הישג חשוב אחר הוא הסכמתם של הסובייטים לנסוח מטרת השיחות כ-

TOTAL ELIMINATION OF NUCLEAR WEAPONS

המזכיר מודע היטב לעובדה שבשיחות בג'נבה לא קרה שום דבר סובסטנטיבי. ההבדלים בין המעצמות בכל התחומים קיימים עדיין והפערים לא הוצרו. ארה"ב מפוכחת ומבינה שסוד היחסים בין המעצמות לא ישתנה בגלל מה שקרה בג'נבה. יש אמנם נטיה בתקשורת לקפוץ לאופטימיות ולדבורים על דטנט אך יש חובה להוריד הצפיות ולהפנות תשומת הלב לכך שאם חל שינוי אצל הסובייטים זהו ענין של סגנון וטון ואך לא של תוכן ואסור להתפש לאופוריה.

גרומיקו ניסה במהלך היומיים לא לוותר על עמדות של תוכן אך מאידך המאמץ להעניק לענין אוריה חיובית. בנקודה מסוימת נראה היה כי הענין יגמר בלי הסכם וגרומיקו היה מוכן לסיים כך (אנחנו כמובן לא התנגדנו אמר פלמר).

שה"ח שאל לתגובת גרומיקו בנושא יהדות ברה"מ ופלמר אמר שגרומיקו ישב כשהבעת פניו חתומה ואמר שאין לענין זה כל קשר ליחסים בין שתי המעצמות. מעבר לכך סרב להוסיף ולו מילה אחת. שה"ח שאל אם המזכיר העלה שאלת חופש ההגירה פלמר השיב בחיוב וסיפר כי הוא ודיק ברט נפגשו עם אביטל שצרנסקי ודאגו שהענין יקבל פרסום (לאחר סיום פגישותיו במשרד הלך פלמר לבקר את אביטל).

פלמר סיפר לשר כי להערכתם נפלה החלטה טקטית אצל הסובייטים המוצאת בשויה לא רק בג'נבה כי אם בסדרה ארוכה של שנוי החלטות המראות רצון ונכונות להתקרב לארה"ב. פלמר הזכיר נכונותם לדון על אמצעי בטיחות אוירית (לבקשת ארה"ב בעקבות הפלת המטוס הקוריאני) שיחות אי ההפצה שהתקיימו ברוח טובה, השיחות על סחר המתנהלות במוסקבה כעת (ושגם במסגרתם הם מתכוונים להעלות שאלת זכויות האדם. הנציג האמריקאי סגן מזכיר המסחר מתכוון לראות סרובניקים בלנינגרד או מוסקבה ולבקר בתיאטרון האידישאי).

לשאלת השר לגבי השלב הבא של ג'נבה אמר פלמר כי ארה"ב הציעה לקיים שיחות ב-5 מרץ בג'נבה אך גרומיקו לא הסכים לכך. סוכם שתוך חודש יקבע, בצנובות הדיפלומטיים המקום והעיתוי לפתיחת השיחות.

השר ביקש פלמר למסור תודתו למזכיר על ששלח אותו לדווח לנו ועל העלתו את נושא יהדות ברה"מ. אנו יודעים כי הוא עושה זאת בכל הזדמנות אפשרית אך הפעם היה זה חשוב במיוחד.

Dear Sam,

Of the many reasons to be grateful for the Holiday season, I value most the opportunity it provides to pause briefly, take stock of what had been accomplished and plan ahead.

In doing both -- reviewing the past three months and thinking of the future -- I am reminded of, and am looking forward to the pleasure of cooperation with you. The unique combination of diplomatic professionalism, true friendship and ability to ease the moment by amplifying the lighter side of life make this experience at once enjoyable and most fruitful. It certainly contributes to the extensiveness and intensity of U.S.-Israeli relations.

I take this opportunity to wish Sally and you an enjoyable season and a most rewarding year to come.

Sincerely,

Shimon Peres

now, are gas stations with 60-foot signs and Holiday Inns. So the 23d remains a rural and small-town district, dominated by old-stock farmers.

The area currently covered by the 23d district has a long tradition of electing Republican congressmen, a tradition that goes back to the Civil War. But in the 1970s, it behaved like most other congressional districts in the nation—it was willing to go for one party or the other, depending on the circumstances. Republican Congressman Albert Johnson, despite diminishing margins, declined to retire and was beaten in 1976 by Democratic state Senator Joseph Ammerman. Ammerman's victory looked solid, and he seemed to have the political acumen to hold the district. But in August 1978 Ammerman sustained a broken hip in an automobile accident and was hospitalized for six weeks. He had a strong Republican opponent, William Clinger, who had held a middle-level appointment in the Ford Administration and then returned home to Warren, in the northern part of the district. Clinger attacked Ammerman for his support of a consumer protection agency and his high ADA record; the incumbent was unable to show the kind of vigor and willingness to meet constituents that is so important in so many congressional elections. The result was a 54% Clinger victory.

Clinger appears to be a vigorous, active incumbent, in tune with the philosophy of the Reagan Administration. He was not seriously challenged in 1980 and his district seems unlikely to suffer major dismemberment for 1982.

SEVENTH DISTRICT

Mention the Ozarks and you evoke an image of rural poverty: people with quaint accents living in hillside shacks, cut off from the current of 20th-century America—a kind of Dogpatch. But for the Ozark Mountains of southwest Missouri, an area roughly coincident with the state's 7th congressional district, the Dogpatch image is far from accurate and is getting less accurate every year. Here you can find sizable and prosperous cities, such as Springfield, the third largest in the state, and Joplin. Outside the cities you can see how the landscape has been transformed in recent years, as people from St. Louis and Kansas City and even Chicago build vacation homes or even year-round residences in the pleasant green hills and along the large, often man-made, lakes. The climate here is relatively temperate, and the Ozarks are free of many of the stresses and strains of metropolitan life that so many Americans find unpleasant. The Ozarks, long a backwater, are now one of the fastest-growing parts of the country.

Many mountain areas—eastern Tennessee have developed a politics contrary to that of the rest of the state. Most people here in the 1860s were sympathetic of most central Missouri Republicans—and have stayed that way strengthened by distaste for Democratic policies of many of the area's new arrivals. Blacks and little evidence of the youth culture of the 7th usually goes Republican; not so in 1980. Jimmy Carter failed to win the 7th.

The 7th was for years the only Missouri district (though now there are three others). The district who was Republican National Committee member. His most difficult election was the first in 1964 when John Ashcroft, now Missouri's attorney general, lost to the Democrats. He won in 1968 and after the 1980 election gave up a seat on the Rules Committee. There he can be seen at the Republican Conference. The 7th has gained in the 1970s and has been getting even more harm Taylor in the least.

Census Data Pop. (1980 final) 570,244, up from 470,000 in 1970.

By long-standing tradition, Orange County has been Republican; and until 1974, the migrants here were strongly Republican also. But as throughout the New York metropolitan area, the Watergate affair and the crisis over aid to New York City seem to have brought ancestral Democrats back to their party and led them to forget their conservative leanings in the early 1970s. The one-time Republican stronghold of Orange County nearly went Democratic again, and Orange County delivered a hefty 57%-33% margin for Ronald Reagan.

The 26th district has been represented since 1972 by Benjamin Gilman, a Republican who seems to span the differences between the two portions of the district. Gilman is Jewish, so many Rockland residents, but he is actually from Orange County himself and served in the area in the New York Assembly. He is a Republican, but his voting record has often been rated somewhat higher by Democratic- than Republican-oriented rating groups. He does not receive the Conservative Party endorsement, but in two of the last three elections, Conservatives have not run a candidate against him. Gilman serves on the Foreign Affairs Committee, where he is, among other things, a strong supporter of Israel and ranking minority member of the subcommittee on Latin America. He has been reelected easily and redistricting is unlikely to pose a problem for him. The 26th currently has the second highest population of any New York district and, unless Rockland is joined to one of the Westchester districts (which has never happened in New York history), Gilman's district will just be shorn of a few of its fringe areas on the north.

Census Data Pop. (1980 final) 541,783, up 16% in 1970s. Median family income, 1970, \$11,650, 121% of U.S.

TWENTY-SEVENTH DISTRICT

New York's 27th congressional district stretches from the Catskills to the Southern Tier. The Catskills are the home of Grossinger's and the Concord, for Dutchess County's little town of Woodstock (about 50 miles away). The low-lying Catskills to the west the mountains subside into the counties along New York's boundary with Pennsylvania, an old manufacturing home of Cornell University.

With the exception of Sullivan County, the United States where Jews are the largest Jewish population territory. It did not move as a metropolitan area during the Nixon years, so the state as a whole. Then in 1974 it divided the middle-class parts of the New York area enough to vote Democratic to elect — for

The new congressman is Matthew M. McHugh, who won Edward Koch's place on Approp City. McHugh won reelection with a strong enough that a young, self-financed chairman in 1980.

Since Ryan's death the district has had two different congressmen. In a special election to fill the seat in 1979, Republican Bill Royer, a member of the San Mateo County Board of Supervisors, managed to beat a former Ryan aide after the Democrats had a divisive primary. Royer benefited from a well-financed campaign and local disgust with high-spending Democrats less than a year after the passage of Proposition 13, and he was helped by the support of the 12th district's Pete McCloskey (who once represented all the territory within the 11th).

The result of the special election was reversed in 1980 by Democrat Tom Lantos. A successful professional economist with an imposing appearance, he united Democratic factions and avoided primary opposition. He spent liberally, ran an astute campaign, and at the same time managed to argue for a larger defense budget and to attack Royer's allegedly conservative voting record (it was not all that far removed from that of most House Republicans). Royer may indeed be the first victim of the solidarity of House Republicans, since conservative Republican positions have never been particularly popular in the Peninsula. Lantos was in any case one of only three Democrats to beat an incumbent Republican congressman in 1980.

Lantos's political talents are evident from his upset victory. He sits on the Foreign Affairs Committee and has a natural interest in foreign policy; he was born in Budapest and fought in the underground against the Nazis. His major political problem for 1982 will be redistricting. The northern part of the Peninsula is the most Democratic, but pressure exists to take some of that territory and add it to the population-shy districts of the Burton brothers in San Francisco. Phil Burton himself will probably work to see that Lantos ends up with a favorable district, but that will take some adroit district-drawing.

TWELFTH DISTRICT

The 12th congressional district of California's 1st congressional district lies in Redwood County. Its northern end lies in Redwood County. San Francisco city limit; it extends south to the district's central communities are probably Stanford University and the area around it, as the *Whole Earth Catalogue* and the University of Portola Valley and Woodside and the hills and the Bay. South of Palo Alto are the suburbs of Santa Clara, Sunnyvale.

Silicon Valley is the name given to the computer production, and the industry is in the corridor between Palo Alto, Los Altos, Mountain View in this area in the 1970s, but there were commercial and residential, were buoys

Yet this is an area that prides itself toward the environment. This is an Club members; there are bicycle paths. And the feeling for the environment in affluent areas or the valley below you has been occupied. Nor can you help nor the communities of the 12th together away at the expense of San Francisco.

This is the district that has elected McCloskey. His is a political career man who has survived and politically seems in better shape. At the heart of McCloskey's appeal is that he ran for Congress, in a 1967 special election,

Lent is the beneficiary of a couple of redistrictings. The first, in 1970, helped him beat Allard Lowenstein, elected two years before with the help of student volunteers after he helped to put together the campaign that ousted Lyndon Johnson from the presidency. The second, in 1972, made the district safely Republican in most contests. Since then his opposition has gotten weaker and his percentages have grown much higher.

Redistricting for 1982 will change the boundaries of the district yet again, with major additions made necessary by population loss (some 32,000) over the last ten years. The chances are that the Nassau County delegation to the legislature will see that Lent has a safe district.

In the House Lent is a reliable member of the Republican Party but is not closely identified with any particular issue. He is a member of the Energy and Commerce Committee, one of the most critical committees in the House—and in 1979 and 1980 the most hardworking. He serves on the subcommittee on Oversight and Investigations, which technically has broad jurisdiction but which has no direct legislative responsibilities. He is ranking minority member of the relatively uncontroversial subcommittee on Commerce, Transportation, and Tourism. In addition, Lent is a member of the Merchant Marine and Fisheries Committee, on which he is one of the few members who have opposed maritime subsidies. He does not attract great attention in the House but is considered competent and influential.

Census Data Pop. (1980 final) 428,685, down 8% in 1970s. Median family income, 1970, \$14,376, 150% of U.S.

FIFTH DISTRICT

The 5th congressional district of New York Long Island. In the northern part of the district, in the 1920s; it is, as it always has been, home to Hempstead, Rockville Centre, and Valley Stream. These places were developed with a slightly different character. Politically, they are in Nassau County and somewhat more like the southern end of the district, below Kew-Forest Beach and the Five Towns—Long Beach. Each of the towns so far mentioned together with the York legislature, then solidly controlled by heavily Republican suburbs of East Meadow. County Republican boss Joseph Margiotta

Margiotta has controlled one of the districts since the 1970s. His critics charge him with a machine that gives big public contracts, given by men faithful to the machine, extraneous dictating political nominations. Margiotta has been charged in the spring of 1981. But the district, and the voters of Nassau County—United States—have voted again and again for the local government and of most of the district. They perhaps disapprove of the machine's national and state policies; or they per-

In any case, the Margiotta machine comes in the congressional election for the district by John Wydler, a faithful Republican minority member on the Science and Technology Committee and a dependable Republican

ELEVENTH DISTRICT

The 11th congressional district is deep in the heart of Texas. Made up of all or part of 19 counties, the district sits slightly off the geographical center of the state, but at just about its center of population. The 11th includes two good-sized cities, Waco and Temple, and a huge Army base, Fort Hood. The rest of the district is classic Texas agricultural country, given over to cotton, livestock, and occasional small towns. People here are descended from settlers who came from the Deep South in the 19th century; they brought Democratic Party identification with them, and maintained it for many years. The 11th district gave even a Yankee liberal, Hubert Humphrey, an absolute majority of its votes in the three-way race of 1968, and it was solidly for Jimmy Carter in 1976. As late as 1978 it voted against Republicans John Tower and William Clements. But in 1980 the 11th switched: it gave Ronald Reagan an absolute majority of its votes and Jimmy Carter only 44%. This may be only a temporary shift, like the one that carried the district for Richard Nixon in 1972; but it is

was undoubtedly a crushing experience for Yatron, but it was a good illustration of the accountability of committee chairmen now that they are not chosen strictly by the seniority system.

Yatron otherwise has not had a particularly controversial career. He votes with Democrats on most economic issues and generally has high labor ratings; he is more conservative on cultural issues. Despite the marginal nature of the district in statewide elections, he is regularly reelected by wide margins. It does not seem likely that the Republican redistricters will try to hurt him; he would be difficult to dislodge, yet if he does not run this is a district a Republican could win. What is not certain is whether Yatron's loss of a chairmanship will hurt him — whether it will be interpreted as a loss of clout or, to the extent it is noticed, as a minor ruckus about an issue most Pennsylvanians do not care much about anyway.

SEVENTH DISTRICT

The 7th congressional district of Pennsylvania covers a unit that until the 1980 census has contained mostly just to the south. This is, indeed since the turn of the century, the west of Philadelphia, but for the most part not an urban area, not on the main line of the old Pennsylvania and radial roads. There are leafy, WASPy suburban areas, including a distinguished college of that name. But the most notable area is Darby, where the grandchildren of immigrants have moved out from the crowded row-house neighborhoods to the middle-class streets of Delaware County.

The dominant political institution here for years has been a Republican machine that rivals in age the old Republican machine that ruled Philadelphia. The War Board's initial strength was among Protestants, but it adapted well to new tides of support from the Irish — and Italian — and Polish — Americans over five decades. But the War Board's power seemed to wane when it purged the incumbent in the 1974 congressional election; it was then unable to elect its candidate in the general election.

The winner of that election was 31-year-old Melvin Yatron. Despite the district's Republican background he is still the son of a Democrat. In the first year of his term, he blocked the Rivers and Harbors bill of 1974. He has pushed for the Delaware-Tombigbee Waterway. He has pushed for the still served by commuter rail and public transit. He has served on a caucus of representatives from northeastern and southern states. The caucus has conducted some of the most useful work in the House. It has documented its charges that these older areas are shortchanged. Edgar also broke with political tradition in the House. He has been one of the leaders of the inner-city caucus of Pennsylvania Democrats Daniel Flood and Melvin Yatron. He has been an innovator in the House, which he now heads the Education, Training, and Labor Committee. He has supported such measures as counseling centers and the elimination of the contribution service. He has been one of the leaders of the inner-city caucus.

Yet Edgar has always been poised at the edge of the inner-city voters' congressman but as a member of the inner-city caucus, which he himself sprang; and he has almost impossible to win on as well as cultural issues. He has been vulnerable

Dear Mr. Prime Minister

Our entire Congressional delegation deeply appreciated your willingness to meet with us during our recent visit to Israel to discuss the full range of domestic and foreign policy issues affecting relations between our two countries.

You and Foreign Minister Shamir are to be commended in the highest manner for your willingness to put aside partisan considerations and put the concerns of your country above any other factor. Your thoughts on what Israel must do to preserve and strengthen its democratic values, as well as what it must do in the short term to deal with the problems of Lebanon and Israel's economic policy, demonstrate the vital role you play in this most important moment in the history of Israel.

Our group was thankful for your graciousness in meeting with us despite the many Congressional delegations, all of whom were seeking your time, while in Israel. We wish you every success in the coming months and years.

With best wishes,

Sincerely,

Tom Lantos

Prime Minister

Dear Mr. Prime Minister:

We are presenting to you this small gift of artwork from the children of California for the children of Israel. We would appreciate it if you could arrange for this gift to be given to the students in one of your favorite schools or to a group of young people in one of your country's institutions who you think might appreciate it.

It is our hope that the children in Israel who are given this artwork will acknowledge its receipt by writing to the children in California children are included with the artwork.

We will be most pleased if this small gift opens new channels of communication and forms new bridges of friendship and goodwill between the children of our two countries.

Cordially,

Annette and Tom Lantos

MRS. HENRY M. JACKSON

February 12, 1985

Honorable Shimon Peres
Prime Minister, State of Israel
Jerusalem, Israel

Dear Mr. Prime Minister:

It was a pleasure for me to be in Israel and to participate in the conference dedicated to my husband. Your thoughtful remarks about Scoop at the opening session were echoed time and again during my visit. Scoop respected and admired your country and its people, and his support for Israel was reflected in the outpouring of deep affection for him I found everywhere. As you can imagine this was very heartwarming and comforting for me.

I appreciated having an opportunity to meet with you personally during my stay. Thank you for your gracious hospitality and for making my visit so memorable.

Sincerely,

Henry Jackson
